Welcome

Dear WCS Families,

Welcome to the 2019-2020 school year. This student/parent handbook has been updated to accurately reflect the mission, policies and procedures at Weatherford Christian School. We hope you find these clearly stated, useful, and God-honoring.

Please be aware that the input and feedback of students, staff and administration was prayerfully considered in all of our school policies. There have been some changes made, so even if you have been here for a number of years, it will help you to read the handbook carefully.

The information found in this handbook can answer many of the questions you may have with regard to procedures and expectations at the Secondary School. Please take the time to read the material and discuss it with your child as appropriate. Should you have questions, please feel free to call the school office for clarification.

When all parties have carefully read this handbook, please sign and return the signature page to the Secondary Office.

We are excited about another great year at WCS. God promises to bless His children as we love Him and act according to His plan for our lives.

Many blessings,

Karen Mooney
Secondary Principal

Mission Statement

Weatherford Christian School exists to provide a Christ-centered educational environment where children are equipped for lives of Christian leadership and service.

Statement of Faith

- We believe the Bible to be the inspired and only infallible, authoritative, inerrant Word of God (2 Timothy 3:15; 2 Peter 1:21).
- We believe there is one God, eternally existent in three Persons: Father, Son, and Holy Spirit (Genesis 1:1; Matthew 28:19; John 10:30).
- We believe in the deity of Christ (John 10:33); His virgin birth (Isaiah 7:14; Matthew 1:23; Luke 1:35); His sinless life (Hebrews 4:15; 7:26); His miracles (John 2:11); His vicarious and atoning death (1 Corinthians 15:3; Ephesians 1:7; Hebrews 2:9); His resurrection (John 11:25; 1 Corinthians 15:4); His ascension to the right hand of the Father (Mark 16:19); His personal return in power and glory (Acts 1:11; Revelation 19:11).
- We believe in the absolute necessity of regeneration by the Holy Spirit for salvation because of the exceeding sinfulness of human nature, and that men are justified on the single ground of faith in the shed blood of Christ, and that only by God’s grace and through faith alone we are saved (John 3:16-19, 5:24; Romans 3:23, 5:8-9; Ephesians 2:8-10; Titus 3:5).
- We are created in God’s image, but because we sin, we become separated from God and in need of salvation (Isaiah 59:2). Regeneration by the Holy Spirit is absolutely essential for salvation through the repentance from sin and the acceptance of Jesus Christ as Lord and Savior. We receive the gift of salvation by accepting God’s invitation to enter into a covenant relationship with Jesus, placing our trust and faith in Him. Those who receive Christ will want to follow His example by being immersed in water, which reflects the death, burial, and resurrection of Jesus (John 3:5-8, 16; 5:24; 14:6; Acts 2:21, 37-39; Romans 3:10-11, 23; 6:3-4, 23; I Corinthians 15:1-4; Ephesians 1:6-7, 2:1-10; Titus 3:3-8).
- We believe in the resurrection of both the saved and the lost; those that are saved unto the resurrection of life, and those that are lost unto the resurrection of damnation (John 5:28-29).
- We believe in the spiritual unity of believers in our Lord Jesus Christ (Romans 8:9; 1 Corinthians 12:12-13; Galatians 3:26-28).
- We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life (Romans 8:13-14; 1 Corinthians 3:16, 6:19-20; Ephesians 4:30, 5:18).
Vision

At WCS our goal is to glorify God in everything that we do as we work to accomplish our mission. This means that we emphasize the spiritual development of our students and put God at the center of everything that we do. With that as our goal, we have an obligation to strive for excellence in academics, citizenship, athletics, community service, and every other aspect of the educational process.

Objectives

- To instill in each child a belief in God as the Creator and the Bible as His inspired and infallible word.
- To lead each child to recognition of Jesus Christ as the son of God and the only way to salvation.
- To equip each child with the academic knowledge and skills necessary to be successful in a technological world.
- To equip each child with a moral foundation that will prepare them to stand against the evil influences of this world and to live a lifestyle that exemplifies Christian principles.
- To equip each child with the social skills that will enable them to successfully interact with others and demonstrate an understanding of the value of others and self.
- To provide opportunities for each child to reach their maximum potential with respect to academic achievement, spiritual growth, and physical development.
- To encourage each child to develop self-discipline, responsibility, self-sufficiency, and good citizenship.
- To encourage each child to develop pride in our American heritage and encourage a sense of patriotism through loyalty and service to one’s country, community, congregation, school and family.
- To instill in each child respect for God, parents, authority, nature, property, others and self.
- To work in partnership with the home and church as we educate and nurture the development of each child.

School Philosophy

Weatherford Christian School (WCS) is founded on the belief that in the beginning God created the heavens and the earth. Man was created in God’s image with an inherent
need to worship God as the Creator. Man has a sinful nature, which separates him from God, therefore; God sent His son, Jesus Christ to redeem man through the blood he shed on the cross for those sins. Jesus conquered death and lives today at the right hand of God. The Holy Bible is the inspired Word of God and teaches man how he should live his live in relation to God’s creation.

WCS teaches from the perspective of a Biblical Christian worldview. There are absolutes and there is an unchanging standard for right and wrong, which is the Word of God. Truth is discovered, it is not decided, and all truth is subject to God’s Truth.

God created the husband and wife and told them to go forth, be fruitful and multiply and fill the earth. God’s design is for the husband and wife to create a family and raise their children to know and worship Him. God expects them to educate their children preparing them to go into the world and live happy, productive Christian lives for all to see.

WCS believes that only when we have received a well-rounded education can we truly live an emotionally stable and happy life, in harmony with those around us. A well-rounded education is more than just reading, writing and arithmetic; it includes the knowledge that we exist to serve God and reflect Him in our daily lives. In light of today’s society, our children need support in three areas to mature into faithful, self-supporting and productive Christians: a healthy home environment, an active church life, and a Christ centered school. This “three stranded cord” is difficult to break and will serve our children well throughout their lives.

WCS completes this “three stranded cord” by becoming an extension of both the family and the church. WCS educates its students both academically and spiritually, in a safe Christ-centered learning environment. WCS teaches its students to be self-disciplined and have a strong sense of responsibility for what goes on in their presence. WCS promotes mental and emotional maturity of its children by teaching them how to serve both God and man within their community. WCS will graduate confident children – children who possess the knowledge and skills desired by colleges and universities across America. WCS will ultimately teach its children to please and honor God in whatever they do and wherever they go ... for as long as they live.

**Accreditation and Affiliations**

Weatherford Christian School is dual accredited by AdvancEd, also known as Southern Association of Colleges and Schools (SACS) and National Christian Schools Association (NCSA). Weatherford Christian school is affiliated with the Texas Christian Schools Association, a statewide organization of Christian teachers and administrators; Texas Association of Nonpublic Schools; the Texas Association of Private and Parochial Schools for Athletics; and Association of Christian Schools International.
Non-discriminatory Policy

Weatherford Christian School admits students of any race, color, and national or ethnic origin. Also, as required by Title IX of the Education Amendments of 1972, Weatherford Christian School does not discriminate on the basis of sex in its educational program or activities or employment except where necessitated by specific religious tenets held by the institution and its controlling body. Weatherford Christian School reserves the right to refuse enrollment to any student for any reason not prohibited by law and determined by the school to be in the best interest of the school.

A Christian Education

There are three distinguishing characteristics of an education that is Christian:

Internalization, Integration and Inculcation:

Internalization refers to the morality, integrity, character and spiritual condition of the people involved in the school and particularly of the administration and faculty. For WCS to describe itself as “Christian,” it must be staffed with people who themselves are distinctly “Christian.” By this we mean, people:

- Who are beyond question Born-Again Believers,
- Who know that their personal lives and the daily quality of their relationship with the Lord, Jesus Christ will affect students for generations to come, and
- Who study and use the Scriptures as their guide for life, their source for wisdom and strength, and the standard by which all things must be judged.

In short, these must be people who have internalized the Word of God and have allowed the grace of God to produce a living curriculum within them that is evident to all. Integration is the blending of biblical principles and scripture with traditional subject matter areas. It is one of the primary tools with which distinctively Christian people create a truly Christian, truly biblical, Christian school.

Integration begins with the recognition that all truth is God’s truth. There is no secular truth for weekdays and a separate spiritual truth for Sundays. Within all disciplines, subject areas and activities of the school, there are elements that can point students in the direction of their Savior and Creator. The task of the Christian schoolteacher is to help students discover those elements by integrating applicable scriptures and scriptural principles with what they are learning in math, science, literature and indeed all
subjects and activities of the school. In order for students to develop a Christian worldview (and in order for an education to be considered Christian) all subjects must be taught, not only by Christians, but also from an integrated Christian frame of reference.

Inculcation is the discipleship process whereby the values and beliefs of one generation are continually placed before, and directly taught to, the next generation. An education that purports to name the name of Christ must disciple students by directly involving them with the Word of God, with who the Word of God calls them to “be” and what it calls them to “do.”

Through integration, we want students to discover the hand and heart of God throughout the universe of creation and thought. Through inculcation we endeavor to create a foundation and elicit a response. The foundation is a thorough knowledge of the Bible; the response is a lifestyle consistent with that knowledge.

The school’s endeavors seize many opportunities and forms: Bible class, chapel, community service, Christian service, short-term missions, staff relationships and peer relationships. All of these venues provide students with the opportunity to acquire knowledge of the Bible and to make decisions that shape who they are in Christ and their place in His church.

A Partnership with Parents

An internalized, integrated and inculcated Christian education is attainable only when the school is working in partnership with the families of the students enrolled. Partnership with parents implies a shared commitment to the success and life of the school beyond that which impacts our own child or classroom. It implies going the extra mile, giving the benefit of the doubt and mutual respect, allocating resources, giving access and opening up communication. This sense of “We’re in this thing together” on the part of the families, the School Board, the faculty and the administration is how partnership finds its greatest expression within our school.

Two important components of partnership with parents are Responsibility and Consistency.

Responsibility

Before God created governments, churches or any other institution, He created the family. Parents are charged with the primary responsibility of the comprehensive wellbeing of their children. Parents delegate only a portion of that responsibility to a school. WCS accepts the responsibility to educate any one child when, on the basis of
Informed consent, that child is enrolled as a student. Informed consent can only exist when parents thoroughly examine the totality of WCS prior to enrollment and have obtained a clear understanding of what WCS expects and provides. Conversely, partnership can only be said to exist when WCS is attempting, in good faith, to carry out its responsibility, creating an accountable environment wherein the mission statement can become a reality for every student entrusted to our care.

**Consistency**

Partnership between WCS and the family implies some degree of consistency among what is taught at WCS, what is taught in the family’s church, and what is actually practiced at home. Consistency (shared standards, beliefs and practices) among the family, the church and the school, is an empowered factor in the life of a child. Therefore, it is critical that school families have regular Christian fellowship outside of the school activities for support, encouragement and spiritual maturity.

Parents will often consider enrolling their child in a Christian school for reasons that are important to them, but have no relation to the school’s mission (why it exists). The greater the degree of consistency, however, the greater the likelihood that the child will experience WCS as a positive and empowering environment.

Without consistency, there is no partnership. Parents must examine not only WCS, but also their own beliefs, expectations and standards of right and wrong to determine if WCS is the right school for their family. For its part, WCS must do its best to represent the school in a realistic and informative fashion, and to the degree possible, assess the level of consistency held by families who wish to enroll.

**A Preparation for College**

One strength of the Christian school system in America is its diversity. Each Christian school has a peculiar mission, culture, environment, academic standard and population that sets it apart from all the others and makes it the school of choice for particular families. The phrase “college prep” is often used as a descriptor for the academic standard of many private and/or Christian school environments. Unless “college prep” is defined in the context of a particular school’s mission, it may often be misunderstood.

We believe the academic mission of WCS is to work in partnership with families whose children are college bound in the context of our overall mission of Christian education. Our guiding assumption is that every student that walks through our doors is ultimately college-bound, and it is our job to provide those students with the opportunity to be well prepared to gain entrance and be successful at the college of their choice. Not all
of our students will go to highly-competitive universities but, for those who can, we want the education they receive at WCS to be an enabling and empowering factor, i.e. high standards for instruction and achievement.

Success in college involves innate ability, but to a greater degree, it involves:
- Basic academic tools
- Advanced academic options
- Work ethic
- Motivation
- Ability to think
- Self-discipline
- Ability to acquire knowledge independently
- A love of learning

WCS will provide all students, at all grade levels, with developmentally appropriate opportunities to acquire the knowledge and values necessary for success throughout their school years up to and including college. Students who apply themselves to all that we ask of them and who avail themselves of all we provide for them will indeed be well-prepared to make the transition from WCS to university-level achievement.

A Preparation for Life

We believe that preparing children and young people to fulfill God’s call in all aspects of their lives means that we must create a balanced environment that is sensitive to the needs of the whole person.

The Needs of the Whole Person

Children and young people have spiritual needs. Therefore, WCS will work in partnership with Christian families to lead our students to a secure, saving and growing knowledge of and relationship with the Lord, Jesus Christ.

In the elementary school, emphasis is placed on evangelism – reaching children for Christ; whereas, in the middle and secondary schools, the emphasis is on discipleship of the student believer. Children and young people have intellectual needs. Therefore, WCS will work in partnership with Christian families to provide our students with developmentally appropriate instruction across the full range of intellectual abilities: knowledge, comprehension, application, analysis, synthesis and evaluation.
Children and young people have social needs. Therefore, WCS will work in partnership with Christian families to provide our students with opportunities to develop healthy relationships within the Body of Christ (fellow believers) and society at large.

Children and young people have emotional needs. Therefore, WCS will work in partnership with Christian families to foster a secure environment that creates and reinforces an awareness within our students that they are loved and respected in all circumstances by all faculty and staff.

Children and young people have physical needs. Therefore, WCS will work in partnership with Christian families to provide our students with athletic and fitness opportunities that emphasize the human body as the temple of the Holy Spirit with the implications this brings regarding health, fitness and lifestyle choices.

Children and young people have creative needs. Therefore, WCS will work in partnership with Christian families to provide our students with Fines Arts opportunities that cultivate and develop their talents, while guiding them to an understanding of God as the ultimate source of creative gifts and abilities.

**Philosophy of Discipline**

WCS is a Christian educational setting in which God’s Word is the source and norm for all of our policies and regulations. As children of God we are, at the same time, both sinners and saints. WCS is a laboratory of learning and Christian growth where students (1) are daily encouraged and mentored to live lives which demonstrate Christ as their Savior and Lord and (2) can live in the assurance of God’s love, mercy, and forgiveness with people. Within that environment, it is understood that when a student enrolls at WCS, he/she accepts and agrees to abide by the rules and standards that have been adopted both at school and in the community.

Therefore, good conduct is expected of all students at WCS. Our student body prides itself on good sportsmanship, good scholarship, and good manners. Every effort should be made to live as Christian citizens both on and off campus. Although we recognize that we have no direct control over the students when they are away from school, any major violation of accepted behavior for WCS students may still be considered grounds for disciplinary action. The testimony of your conduct, when out in the public, reflects upon Christians, in general, and students at WCS in particular.

WCS includes admission of students from different religious and personal persuasions. It is the intent of the School Board, administrators, and faculty to maintain an atmosphere where exemplary Christian behavior and quality academic studies are
developed. Students at WCS are encouraged and expected to exhibit behaviors contributing to the growth of such an atmosphere.

Discipline is more effective when internalized by the individual and exhibited by his/her personal conduct. Ultimately, each person must assume such responsibility if he/she is to mature into a useful and productive citizen. Every opportunity will be given for development of self-discipline. Where discipline is required by faculty or school administrators, it will be administered with the intent that maximum educational value be attained. WCS seeks to maintain a strong academic environment and requires that students engaging in disruptive activities or violating school regulations must be disciplined.

**Biblical Principles to Guide Student Behavior**

"*Don’t let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity.*”  *I Timothy 4:12*

With all the questions regarding human conduct, we must go to the Bible, God’s inspired Word, for valid answers. The message from God must be heard. He has given us the Bible, a book which contains principles by which He wishes to guide our lives. He has given us the Bible for our well-being, so that we may avoid many of the traps Satan has set for us in this world.

- **Obedience**: Acts 5:29 “We are to obey God...”; Ephesians 6:1-2 “Obey your parents...honor your father and mother”; Hebrews 13:17 “Everyone must submit himself to the governing authorities...”; Christians must obey God, parents, elders and those in authority.

- **Modesty**: In I Timothy 2:9 and I Timothy 3:2, God commands His children to be “modest” and “orderly”. “Modesty” means “well arranged, seemly; living with decorum, a well-ordered life.” Therefore, the Christian will have propriety in dress, speech, appearance, and conduct and will be acceptable, appropriate, well-ordered and not calling attention to self.

- **Love**: Mark 12:13-31 states Christians are to love the Lord above all and their neighbors as themselves. I Cor. 13:5-6 “Love is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth.”

- **Glorifying God**: I Cor. 10:31 “…do it all for the glory of God.” Whatever Christians do will be to the glory of God, not causing others to stumble (I Cor. 10:31).
8:9, Rom 14:21), and not dishonoring themselves (I Cor. 11:14). I Thess. 5:22
“ Avoid every kind of evil.” Phil 4:8 “ Finally brothers, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable – if anything is excellent or praiseworthy – think about such things.”

Student Expectations

Respect, Dignity & Kindness-The administration, faculty, and staff of WCS are committed to providing an exemplary, Christ-centered education in a safe environment. The guiding principles for conduct at WCS is found in the words of Christ in the gospel of Mark 12: “Love your neighbor as yourself.” It is our expectation that members of the WCS community treat each other with respect, dignity, and kindness. We do not expect all will be perfect, but rather our students to be people in active pursuit of integrity and growth, in dynamic relationships with the living God and with others in community. Administrators, faculty, and staff are eager to serve alongside WCS students and offer support, accountability, and when necessary, loving discipline, in order to help the child grow. We affirm our commitment to serve with the student’s best in mind. Administrators will work with parents during the discipline process. Students who are unable to meet school conduct standards will be unable to remain at WCS.

Any discussion of discipline must begin with self-discipline: In Galatians 5, Paul teaches regarding the Spirit-controlled life; James 3 teaches regarding how we speak, emphasize the importance of self-control. The school’s educational process is based upon the personal integrity of students and their willingness to practice self-control. It is crucial that friendships at our school include the willingness to confront each other in love, and thus be encouragers of each other’s growth in this way.

Responsibilities of those Involved

Establishing and maintaining a disciplined environment at WCS is a responsibility of students, parents, teachers, and administrators. The following sections describe the process and procedure when a behavior problem exists.

Student Responsibility

- Students are expected to perform to the best of their abilities in all areas.
- Students are to show respect for all people in the school. This includes other students, teachers, administrators, cooks, custodians, secretaries, volunteers, parents, and visitors.
- Students are to respect property and materials. This includes school property, as well as the care of their personal possessions and the possessions of others.
- Students are to present a Christian witness of themselves and their school at all times, whether at school or in the community.

**Teacher Responsibility**

Teachers are to show respect for students as part of God’s creation. They are to be caring and understanding of the student’s needs.

- Teachers are to serve as role models for students.
- Teachers must create a disciplined environment that is reasonable, fair and consistent.
- Teachers have been placed in a role of authority and they must exercise that authority. They cannot act like a friend with the students or abdicate their responsibility of authority if the child is to learn to respect authority.
- Teachers are expected to establish and maintain Christian discipline in the classroom, hallway, cafeteria, athletic field, and at school activities both on and off school grounds.

**Administrative Responsibility**

- Enforcement of discipline must include a balance of both law (rules) and gospel (forgiveness).
- The principal is responsible for establishing and maintaining a well-disciplined environment in the school.

**Parent Responsibility**

The responsibility of educating a student is two-fold: part belongs to the home and part belongs to the school. The teaching of responsibility and respect begins in the home. When a student enters school, this process becomes a shared responsibility. Christian values should be reinforced both in the home and at school.

Understand that your student will typically tell you of an incident from their perspective rather than as an objective reporter would. Seek facts, not interpretations and inferences, by asking your child questions in a calm and even tone. Then, call or approach your child’s teacher as soon as possible. Begin the conversation by asking what happened and listening carefully to the teacher’s perspective. If your child was accurate, the situation can be dealt with appropriately.
Expectations

Parent Expectations

As a child’s first teacher, a parent has tremendous impact and influence in shaping the child’s academic performance and behavioral conduct. Parents teach their children best by their own examples of reverence, responsibility, and respect. We expect all parents and guardians at our school to model appropriate behavior and to be good examples to our school community. In order to show cooperation and support, all parents shall:

- Support the mission and vision of the school.
- Understand that teachers are dedicated professionals who often make sacrifices to follow God’s calling to teach in a private Christian school.
- Be respectful to staff, students, and other members of the school community at all times.
- Be respectful of all staff and their time with family. Do not call or text staff on their personal cell phones during the day, after school hours, evenings or weekends unless it is an emergency. Questions regarding homework, dress code, and school supplies are not an emergency and does not warrant a call after school hours.
- Show respect for the teacher, or any other adult in authority, in front of child(ren) at all times.
- Follow the school protocol for handling complaints by first seeking a resolution with the staff member involved in a positive and professional manner. Subsequent consequences can be scheduled with administrative personnel if necessary only after the proper chain of command has been followed.
- Speak to the teacher or adult in charge before accepting a child’s version of an incident/issue.
- Do not participate in gossip, including on social media, make an effort to stop rumors, going through the proper channels when issues arise.
- Speak truthful and in love in all circumstance. WE encourage parents to fight the urge to attempt to “cover” for their child instead of providing an opportunity for truth, justice, and teaching opportunities to be addressed.
- Hold their child(ren) responsible and accountable for following all school rules, completing all homework assignments, and coming to school every day on time, dressed appropriately and prepared with necessary supplies.
- Not tolerate vulgar or sarcastic language from their child(ren), not violent or aggressive speech or behavior, setting a good example in their own speech and behavior.
Parents can help to reinforce Christian values, responsibilities, and conduct. In order to accomplish these objectives, the parent:

- Recognizes that WCS seeks to work in partnership with parents and the church in the development of the student.
- Teaches respect for the law, for authority, for the rights of others and for private and public property.
- Shares an active interest in the child’s school work and personal development.
- Understands their child’s limitations and is careful not to push the child beyond their limits with your expectations or aspiration. Sometimes students make bad decisions because of the pressure to excel is higher than their ability to meet the expectations.
- Contacts the teacher, if the child is experiencing difficulty in a class. Early intervention will help alleviate issues.
- Arranges for the child’s regular school attendance and complies with regulations and procedures.
- Works with WCS in carrying out recommendations, which both school and parents feel are in the best interest of the child.
- Cooperates with the school in carrying out disciplinary action if necessary.

**Leadership Expectations**

WCS feels that the school is responsible for enabling students to become strong leaders, both spiritually and academically. WCS is dedicated to God and will put forth every effort to help students grow to their full potential. WCS will strive to develop strong leaders by giving students opportunities throughout the year to take leadership roles in both community and school. To achieve this goal will require the participation of all students and their families. We are a team!

**Problem Resolution**

Parents and/or students who have a grievance against a teacher or administrator must try, by following Matthew 18, to first take up the matter with the individual involved. In cases where the issue is not resolved, the following steps should be taken in handling a concern:
Steps for parents to follow when voicing a concern:

- **Step One:** Student contacts teacher. The student should present the conflict/issue to the teacher as soon as possible. It is always best for students to become their own advocates. It is expected that the majority of concerns will be resolved at this first meeting.

- **Step Two:** Parent contacts teacher. If needed, the parent should contact the teacher directly. The parent should contact the teacher via email or phone call to set an appointment to meet with the teacher.

- **Step Three:** Parent contacts Principal. If there is still not a satisfactory resolution, the parent may contact the school principal. While there can be no guarantee that all parties will agree with all resolutions or findings, a thorough, respectful airing of differing perceptions and experiences can lead to more productive relationships and clearer understandings in the future. Retaliation of any kind against a student and/or parent for utilizing this procedure is strictly prohibited.

- **Step Four:** Parent contacts the Head of School. If there is still not a satisfactory resolution, the parent may contact the head of school. The head of school will meet with the principal, teacher, and parent to discuss the concern. The head of school will make a final decision based on the investigation of the matter.

- **Step Five:** Parent contacts the Chairman of the School Board. If there is still not a satisfactory resolution, the parent may contact the Chairman of the School Board. The Chairman of the School Board will appoint a standing Appeals Review Committee if needed. The Committee will consist of three to five board members and will act on behalf of the Board in regard to appeals or complaints. The Committee will not have authority to establish or revise policy. New policy and/or changes to existing policy will require full Board approval. (Individual Board members may not participate in the resolution process until a complaint is properly presented before the Board or the Appeals Review Committee.) The Committee shall render its decision in writing. The decision shall be reported to the Board at the next regularly scheduled meeting.

**Exclusions**

No procedure or step in this policy shall have the effect of requiring a person alleging harassment or discrimination to present the matter to a person who is the subject of the complaint.

If the complaint involves alleged discrimination or harassment by a teacher, the student/parent shall discuss the matter with the principal, who will attempt to resolve the matter.
The Board and/or the Appeals Review Committee may determine, at its discretion that certain issues do not call for Board action. In such cases the final step in the appeal/complaint process will be meeting with the administrator.

If at any time a parent/guardian or family member of a student does not abide by a respectfully, approach to conflict resolution and uses the threat of legal recourse, conversations between the school and the concerned party will cease. Communication between the two parties will then be conducted between WCS legal counsel and the concerned party.

**Philosophy of Uniform Dress**

The Uniform Dress Philosophy of WCS will reflect the school’s identity as a Christian educational community by providing a standard, which will help students balance expressions of individuality with biblical guidance. A dress policy based on biblical principles does not mean that there is one set of clothing that is “Christian” and another that isn’t (i.e., there is nothing “spiritual” about a collar). There are, however, some fundamentally sound reasons for providing students with guidelines for dress. A biblical approach to dress must be purposeful and designed to complement other educational and character-building efforts.

For instance, in spiritual matters we find numerous disciplines which, in and of themselves, do not create a mature believer, but which do provide a framework for growth to occur. Engaging in daily devotions, participation in weekly worship services, and involvement in discipleship groups will not yield godly character if practiced with an improper attitude, but they can (and do) provide the setting for godliness to develop. At WCS, students are required to memorize Scripture, take Bible courses, and attend chapel because we believe these disciplines help in the development of spiritual maturity in our students. Similarly, while certain clothing does not by itself “create” a responsible, humble student, a dress code can present opportunities for personal growth and development of Christian character, especially when applied in an atmosphere which seeks to integrate all aspects of life from a biblical perspective.

There are two primary elements at the heart of the dress policy issue: the nature of the WCS community and the role of fashion in today’s culture. Each is defined in terms of the influences exerted by both Christian and secular worldviews in these areas and both are important in the formulation of our school dress policy.

Weatherford Christian School is defined by two cultural components: education and the family/community. As Christians, our view of education acknowledges that, as fallen
human beings, our children require boundaries and standards within which the learning process takes place. This stands in stark contrast to the secular view that children, if taught a process of inquiry alone, will naturally set their own moral standards (moral relativism), and, consequently, make wise choices.

Our view of the family and community acknowledges that we have been created by God for relationships, and there is a need for each individual to govern his personal behavior for the benefit of others (Romans 14:13-15). While recognizing the uniqueness of individuals created in the image of God, we acknowledge that our identities are also formed by our roles as members of families, churches, and other institutions, including schools. This contrasts with the secular worldview that autonomous human beings have no responsibility to others, except as they may choose to associate with them, and that their freedom as individuals supersedes any obligation to the group. The position we have historically assumed is that WCS is a Christian educational community; therefore, as members of that community, our obligations to one another are both necessary and beneficial.

Fashion in today’s society is influenced by the cultural components of popular culture. As Christians, our view of popular culture acknowledges the need to inspire and challenge students to reach for God’s standards of truth, beauty and excellence (Philippians 4:8). In contrast, today’s secular culture encourages any activity designed to autonomously satisfy emotional or sensual desires without regard to thoughtful analysis, long-term consequences, or impact on others. In large part, fashion today is a reflection of that secular culture. The driving force behind the majority of the fashion industry then becomes rejection of societal standards and expectations in favor of the ultimate goal of personal expression.

In summary, if the foundation of our view of Christian education is based on the need for standards, and the foundation of the fashion industry routinely rejects most standards, then it is logical for difficulties to arise when students attempt to choose garments for school that, by their very design, fall outside traditionally accepted parameters. Basic definitions (such as “What is a shoe?”) are rendered meaningless in this environment.

Confusion and conflict arise when there is no standard established, with students, their parents, and the school at odds over specific articles of clothing on a daily basis. Therefore, a uniform dress code should be established to permit focus on the educational process and avoid daily conflict over dress.

**Summary of WCS’ Educational Philosophy**
In the book of Daniel, we can see the account of the three captive Hebrew young people. These young people are described as being widely read in literature and science, quick to comprehend and able to learn. They are also described as wise. These young people had received an excellent education in the context of honoring Jehovah. When it was demanded of them that they worship the god of the prevailing culture, no compromise could be found in their hearts. They remained true to the God of their fathers. In the end, they assumed leadership roles in the midst of a society that did not understand them, but needed what they had to offer.

We believe our graduates must ultimately take their place as Christian leaders in an increasingly secular world, whatever their chosen profession or field of expertise. It is our aim that WCS students will exhibit the virtues of wisdom, courage, compassion, honesty, self-discipline, responsibility, friendship, hard work, perseverance, loyalty and faith to our culture in the same way Daniel and his companions did to their captors.

WCS does not represent a guarantee. We represent an opportunity. We provide an education that is truly Christian in a school that works in partnership with Christian families. We prepare children and young people for college by providing a high standard for both instruction and achievement. We prepare them to fulfill God’s call in all aspects of their lives by recognizing and addressing the needs of the whole person.

In the end, WCS recognizes that “unless the Lord builds the house, the workers labor in vain.” Despite our best efforts and those of the Christian families who partner with us, the only way our mission and philosophy can be fulfilled in the lives of our students is by the grace and love and blessing of our Lord, Jesus Christ. May His countenance continue to shine upon Weatherford Christian School in the future, as it has in the past.

**Policies and Procedures 6th - 12th Grade**

**1.0 Attendance**

Attendance is very important at WCS. Students should be present and on time, each and every day. Attendance is crucial to the learning process. The accepted standard is for WCS students to be present 90% of the time. If a student is absent (excused or unexcused) more than 10% of each class per semester, they may be placed on Academic Probation and could lose credit for the course unless they attend Saturday School for the absence recovery. School-sponsored extracurricular events are not counted as absences. Any student's progress adversely affected by the absence through a school year could be ineligible for promotion to the next grade. The student and
parent will be notified if a potential problem exists to get the most out of their education.

1.1 Excused Absences

- Legitimate days of illness – excessive days, or five consecutive days of illness may require a physician’s statement
- Death of a family member
- Hazardous weather conditions – students are expected to attend school when school is in session
- Medical or dental appointments
- Other unusual causes acceptable by Administration

1.2 Reporting Absences

- It is requested that parents notify the office the morning of a child’s absence.
- Make-up work may be requested at this time and picked up in the office between 1:00 p.m. and 3:00 p.m., or accessed through RenWeb.
- Once written notification is received, an excused absence will be given for a child’s doctor or dental appointment, child’s illness or the death of a family member
- The school administrator will determine the status of all other absences. If a child is to be absent due to reasons other than an illness, prior arrangements and approval must be made with the school administrator in advance.
- Students will have one class period for each day absent to make up work. If a student misses the day of a previously announced test or quiz, he/she should be prepared to take the test or quiz on the day they return to class.

1.3 Pre-Approved Absences

For Pre-Approved Absences to be excused, they must be cleared with the administration at least 3 days in advance. These will be counted on the report card as absences, but without any academic penalty. Students should plan to take tests/quizzes and turn in all homework either before the absence or on the day they return.

1.4 Returning to School

Upon returning to school after an absence, students must bring a written excuse from either a parent/guardian or medical/dental office. If the absence was for a medical or dental appointment, the student is to bring a note from the medical or dental office showing the time and date of the appointment. When possible, make these
appointments after school or on Saturdays. The note for non-medical absences must contain the date(s) of the absence, the reason for the absence, and a parent or guardian’s signature. A parental note excuses an absence due to personal illness for no more than (3) consecutive dates; from then on, the student’s absence must be excused with a doctor’s note. Without an appropriate note upon return, the absence will be considered unexcused. A phone call or a parent’s signature signing the student out the day before does not take the place of a written excuse from a parent.

1.5 Excessive Absences

Excessive absences place a hardship on both students and teachers. Therefore, students who have more than nine absences per class per semester (excused or unexcused) will be required to make-up their time on a selected Saturday. For each day a student misses past the nine days, four (4) hours of Saturday school must be completed at a rate of $50 per day. Saturday school will be from 8:00 a.m. to 12:00 p.m. and students will be expected to be on time in WCS uniforms. Otherwise, they will be locked out and not receive credit. Students will also be expected to have study materials to stay busy the entire time and will not be allowed to be a disruption.

Students will be counted absent in a class if they are miss more than ½ of the class period.

1.6 Make-up work

Make-up work is required for all absences. All work assigned prior to the absence(s) is due upon the students’ return to school. Work assigned during the absence will be due the day after the students’ return.

1.7 Check-In/Out

The secondary office is open at 7:30 a.m. and closes at 4:00 p.m. Students are required to check/sign in here if tardy (arriving after the bell rings), signing out for appointments and signing back in.

1.8 Tardiness

School begins promptly at 8:05 AM. Students arriving late are disruptive to the other students and the teacher. In order to learn the importance of punctuality, students must arrive on time ready for class to begin. Students arriving after 8:05 will receive a tardy strike. Students must go directly to the office and will receive a strike. **Students tardy for more than ½ the class period will be counted absent.** The only exception to a first period tardy will be a medical appointment. A note from the doctor’s/dentist’s office must be given to the office when the student arrives. If a
student is detained by a teacher during the day, the teacher may write a note to excuse the tardy. Students will receive a tardy strike for every unexcused tardy to any class throughout the day.

2.0 Academics

2.1 High School Graduation Requirements

- The graduating senior must be enrolled in Weatherford Christian School at the time of graduation.
- Students who transfer as seniors must be able to earn 28 credits and maintain a full schedule of seven periods of instruction.
- Financial obligations must be satisfied and cleared by the business office prior to the issuing of a cap and gown.
- Passing grades must have been earned in all classes taken during the senior year. If a student fails a class, he/she will not be allowed to participate in commencement exercises. Students may, upon prior approval by the Principal, take the necessary courses at another school to complete Weatherford Christian School’s curriculum requirements for graduation during the summer following the senior year. Transfer grades and credits can be sent back to Weatherford Christian School for completion of the requirements necessary for receiving a Weatherford Christian School diploma.
- A student must complete the whole school year beginning from the time of his/her acceptance to graduation. If a senior chooses to leave Weatherford Christian School and enter another school, he/she automatically forfeits all rights to participate in graduation exercises.
- If a case arises where the parents/guardians move from the area and the student is in good standing and desires to graduate from Weatherford Christian School but cannot remain in the area, if he/she qualifies, he/she may return and participate in the graduation ceremonies.
- A total of 28 credits are required to graduate. There are separate requirements below for students who transfer during their junior or senior year. Graduation Requirements for Incoming Upperclassmen. Upperclassmen are defined as juniors and seniors.

2.2 All other transfer students will abide by all current graduation requirements:

- Students entering as upperclassmen who will not meet the 28-credit requirement will be required to take seven classes if they are a senior and eight (including Junior Service) for a junior. One of the classes can be athletics. This is required even if taking fewer classes would allow the student to meet the 28 credit minimum.
• All students will be required to graduate with four credits in science, English, mathematics, and history.
• All students will be required to graduate with one credit of technology.
• All students will be required to graduate with one credit of Fine Arts.
• All students will be required to graduate with two credits of a foreign language.
• All transfer juniors will be required to graduate with a minimum of 28 credits.
• All transfer seniors will be required to graduate with a minimum of 28 credits.
• All transfer seniors must be accepted and enrolled by the end of the first full week of classes.
• A transfer senior must be able to meet the minimum requirement within our seven class periods.
• All transfer students will be required to take one Bible course during each year of attendance.

2.3 Distinguished Honors

This distinguished honor is for students who plan to apply for highly selective colleges or universities. The distinguished honor requires four math credits, two years of the same foreign language, and a combination of any three of the following criteria:

• Achieve a score on the Preliminary Scholastic Assessment Test (PSAT) that qualifies a student for recognition as a Commended Scholar or higher by the National Merit Scholarship Corporation.
• Complete an approved three-hour college course with a grade of 3.0 or higher on courses that count for college credit.
• Achieve a composite score of 23 or higher with at least a 19 on each section of the ACT.
• Achieve a score of 1070 with at least a 500 or higher on each section of the SAT.
• Earn and retain membership in the National Honor Society.
• Achieve a minimum cumulative average of 90 (4.0 GPA).

2.4 Dual Credit Courses

A student must be enrolled at Weatherford Christian School in order to participate in a dual credit course through Weatherford Christian School. If a student withdraws from Weatherford Christian School, the student is automatically withdrawn from the dual credit course and loses all money, fees, and any credit not completed for the semester at the time of withdrawal.

3.0 Academic Integrity and Plagiarism
WCS expects all students to practice the highest standards of honesty in their schoolwork. The value of academic integrity is far greater than any grade received for work. To do what is morally right, to speak the truth, and to display one’s academic ability honestly define integrity. Cheating, in any form, contradicts the moral and spiritual values of WCS.

Cheating on any written work will result in a zero for all involved parties and documentation by discipline slip. These grade and citizenship penalties will affect the course involved. Individual classroom teachers may further define cheating for specific assignments. Teachers may establish and require students to sign academic integrity statements/pledges in regard to daily work, notebooks, compositions, tests, projects, etc.

The root of plagiarism is two-fold: dishonesty and laziness. Neither of these are Christ-like qualities, nor do they have a place at WCS. WCS adheres to the Modern Language Association’s definition of plagiarism: “The false assumption of ownership, the wrongful act of taking the product of another person’s mind, and presenting it as one’s own...the use of another person’s ideas or expressions without acknowledging the source...is intellectual theft” (Modern Language Association of America).

3.1 Cheating

Cheating includes, but not limited to:

- Copying from another student's test paper, homework assignments, lab report, other report, or computer files and listings.
- Collaborating with or seeking aid from another student during an academic exercise without the permission of the person in charge of the exercise. Unless otherwise specified, ALL students’ work should be completed independently.
- Using, in any academic exercise or setting, material and/or devices not authorized by the person in charge of the test.
- Knowingly using, buying, selling, stealing, transporting or soliciting in its entirety or in part, the contents of a test or other assignment unauthorized for release.

3.2 Collusion

Collusion is the unauthorized collaboration with another in preparing work offered for credit.
In addition to the disciplinary consequences for plagiarism, the following grade-related consequences will apply:

- **Ignorance is no defense** - Since we teach students what plagiarism is, beginning in the sixth grade, a student will not be able to use an “I didn’t know...” defense.

- **Intent is irrelevant** - Teachers will not have to determine whether instances of plagiarism are intentional or not- “I didn’t mean to...” defense.

- **Any confirmed instance of plagiarism at the High School level will result in a grade of ZERO for any homework or assigned classwork, quiz, essay/report or test.**

- **Any confirmed instance of plagiarism in an Advanced Placement (AP) or dual credit course could result in the student losing AP or dual credit for the course.**

- **Any confirmed instance of plagiarism at the Middle School level will result in a grade of 50% of the original grade (“earned” credit) for any homework, assigned classwork, quiz, essay/report or test.**

### 4.0 After School/Before School

We are first and foremost concerned with the safety of our students. Please review the following guidelines and make the necessary transportation arrangements.

High School and Middle School students are dismissed at the end of 8th period. The classrooms and locker areas are to be cleared within 30 minutes. No supervision will be given to students who are still on campus after 4:00 p.m., unless they are involved in an extracurricular activity under the supervision of WCS staff. Students may be asked to leave the campus if they are not behaving in an appropriate manner.

**4.1 Morning Arrival**

Classes begin at 8:05 am. Students should arrive no earlier than 7:40 a.m. and report to the cafeteria.

### 5.0 Athletics

For more information on Athletics, please see Weatherford Christian School Athletic Handbook.
6.0 Automobile Policy

Driving and parking a vehicle at Weatherford Christian School is a privilege that can be temporarily or permanently taken away by administration if the school’s policies regarding automobiles are not followed. Students having a legal driver’s license may drive their vehicles to school and park them on campus as long as they abide by the following rules:

- Park in designated spaces as soon as arriving on campus. Students are not to park in fire lanes, reserved, visitor, or numbered spaces.
- Drive appropriately (slowly, carefully, defensively) only on paved or gravel surfaces.
- Once parked, go directly to the buildings. Permission from the office is required before leaving the building during school to go to the parking lot.
- Unlicensed drivers are not permitted to drive automobiles on campus.
- Parking violations, leaving the building without permission to go to the parking lot, and on-campus driving violations are classified as Level I strike. More serious moving violations may carry greater consequences, including loss of on-campus driving privileges, in addition to the consequences listed under Discipline Plan.

Students that drive automobiles to school are to park them in the designated student parking lot. Other than lunch (seniors only) or leaving at the end of the school day, students may not return to their cars or leave the building without a pass. Failure to comply with the automobile policies may result in the loss of driving privileges and/strike. Driving on the WCS campus is a privilege and can be taken away for unsafe driving practices. The student parking lot and student cars may not be used as places to “hang out”. All vehicles on campus are subject to search at any time at the discretion of the administration.

7.0 Campus Visitors/Security

WCS strives to maintain a safe environment for all students. During school hours, all visitors are approved at the discretion of the WCS administration and must check/sign in at the Secondary Main Office located in the East campus building to receive a visitor’s badge to be worn while on campus. All visitors must show an ID that will be scanned through the WCS Raptor system in order to receive an ID badge that must be worn the entire time a visitor is on campus. If a visitor is seen not wearing an ID badge obtained through the Raptor system, they will be escorted to the main office by any WCS employee who has found the visitor not in compliance with this safety measure.
Approved visitors could include parents, youth pastors, and WCS graduates in good standing. WCS Alumni and former students in good standing are required to sign in and may only visit during lunch. Appropriate attire is required. Pets are not allowed on campus at any time.

7.1 Closed Campus Policy

WCS offers a closed campus for the protection and security of our students and staff. Students must sign out in the Secondary Office before leaving the WCS campus. Seniors have off-campus privileges only at lunch during the spring semester.

8.0 Care of Personal Property

WCS is not responsible for lost or stolen personal property items. We regret that we have any students here that would take things that do not belong to them, but such is the world in which we live. We encourage students to bring only the required items with them to school and to keep money and valuable possessions under their personal supervision at all times.

9.0 Cell Phone Usage

9.1 Cell Phone Guidelines

- A student may use his/her cell phone during passing periods.
- Possession of a cell phone by a student is a privilege. This privilege may be forfeited by any student that fails to abide by the terms as stated in this policy, or otherwise engages in misuse of this privilege
- Cell phones are not permitted during a student’s scheduled class times, chapel, lunch, small groups, or any school gatherings during the school day including, but not limited to, pep rallies. During these times, phones should remain out of sight.
- Students are expected to place their cell phones in the designated Cell Phone Holder, as soon as they enter the classroom. Cell phones are to remain in designated holder, until the bell dismisses for passing period.
- Students may not use cell phones on school property or at a school sponsored event to access and/or view Internet websites that are otherwise blocked to students at school, or to take part in any activity that is prohibited in the WCS Acceptable Use Policy (See Addendum 2).
• The use of cell phones that contain built-in cameras is strictly prohibited at all times in locker rooms, bathrooms, and/or locations where privacy-violating pictures might be obtained.
• If a student is found in violation of this policy, possible disciplinary action may result with or without confiscation of the cell phone. A fine will be assessed and must be paid before the phone will be released to the student. Additional disciplinary actions could include, but may not be limited to a strike.
• The student is solely responsible for the care of his/her phone. WCS is not responsible for preventing theft, damage, loss, or vandalism.
• Parents/guardians are advised that the best way to contact their child during the school day is by calling the secondary office.
• The principal may refer the matter to law enforcement if there is a violation that involves illegal activity (i.e. pornography).

9.2 Loss of Cell Phone Privilege

• First offense: Strike, $25 fine, and loss of cell phone privileges for the remainder of the school day.
• Second offense: Strike, $25 fine, and loss of cell phone privileges for the next 3 school days.
• Third offense: Strike, $50 fine, and loss of cell phone privileges for the next 10 school days.
• Fourth offense: Strike, $50 fine, and loss of cell phone privileges for at least the next 20 school days.

***Failure to turn in phone to the secondary office on subsequent days will result in punishment being doubled (i.e. 3 school days will become 6 school day).

9.3 Rules for Confiscating Cell Phones

The following is the procedure that will be followed after a phone has been taken up because it has been used in a way that violates this policy and/or WCS Acceptable Use Policy:

• The staff member will ask the student to turn off the phone. The phone will be taken up by the staff member. Strike will be written and fine assessed.
• The staff member will walk the student/cell phone to the secondary office at the end of the class period where the student will place the
phone in an envelope. The student will write their name on the envelope and the envelope sealed.

- The envelope will be placed in a basket where it will remain until the end of the school day.
- The student may pay the fine and retrieve the phone at the end of the school day.
- If privilege is lost for additional school days, phone must be turned in to the secondary office, placed in envelope/basket before the tardy bell rings for 1st period. Phone may be retrieved at the end of the school day.
- The principal and/or Head of School will determine if any additional consequences need to be given.

9.4 Sexting

In keeping with the school’s responsibility to provide a safe learning environment for all students, WCS has established the following policy regarding the issue of “sexting”. Sexting is the act of sending, receiving, or forwarding sexually explicit or suggestive messages, photos, or images via cell phone, computer or other digital device. Students engaged in such activities are subject to state laws and school discipline. The school considers sending, sharing, possessing, or even viewing pictures, text messages, or e-mails that contain a sexual message or image a violation of this policy. A violation will result in school discipline and possible notification of local law enforcement. Students are required to immediately report any such activities to a teacher or a school administrator.

10.0 College Prep

Juniors and seniors are encouraged to visit colleges they are interested in attending. Juniors will be allowed one visit in the fall semester and another in the spring semester. Seniors will be allowed 2 college visits for the year. Prior approval and documentation of the visit are necessary. (See the appropriate form in the back of the handbook or on the website.) When a WCS staff member coordinates and opens a trip to a college to the senior/junior class, students will not be counted absent. The trip will require prior approval and will not be counted as a college visit, but as a school-related trip. WCS sponsored college visits are a privilege. Therefore, students with excessive absences, low averages or discipline problems may be denied approval.

To encourage students to be college ready, Juniors are strongly encouraged to take at least one SAT and/or ACT. All sophomores and juniors will be required to take the
PSAT in October of the school year. Eighth Graders and Freshmen will be given the PSAT in April of the school year.

Students need to carefully consider the long-term effects of enrolling in eighth grade Honors Algebra I. First, the grade from the Algebra I class will be calculated into their high school GPA. Second, the curriculum for the rest of their high school math career will be more challenging and difficult. Lastly, students will have the opportunity to take five years of mathematics (Algebra I, Geometry, Algebra II, Pre-Calculus and AP Calculus). This will not be a requirement.

11.0 COMMUNITY SERVICE

WCS requires each high school student complete a minimum of 12.5 hours of community service for each year enrolled in high school. The community service requirement for graduation is designed to help students learn servant leadership in the way of Christ. In community service, we look for opportunities to help those less fortunate than ourselves without the expectation of recognition or compensation in any form. Through community service efforts, we seek to help others and exemplify a Christ-like heart of a servant as described in Luke 14. We hope that students will develop a love for serving others and that the 12.5 hours per year is merely the floor and not the ceiling of a student’s benevolence.

11.1 Specific Guidelines for Community Service

- The student cannot be paid for the service provided; any compensation for a service automatically disqualifies the service for credit.
- Any service performed for an individual must have prior approval from the principal.
- Credit for service provided will be given on a minute-for-minute basis (i.e., 1.5 hours of service equals 1.5 hours of credit).
- Transportation to and from service projects will not be considered in the total hours served.
- Service hours will only be accepted during the course of the school year. The school year (for purposes of community service) will be defined as June 1 - May 31.
11.2 Examples of Service Opportunities in the Community

- Center of Hope
- Hope Chest
- Meals on Wheels
- Homeless shelters
- Habitat for Humanity
- Retirement/Nursing homes
- Special Olympics
- Local hospitals
- Public Library or other civic opportunities
- Animal shelters

11.3 Examples of Service Opportunities at Church

- Youth Mission Trips
- Community Work Days for the elderly
- Assisting with VBS/Bible Class Teacher

The examples provided in these Guidelines for Community Service are not intended to be comprehensive. If a student questions whether any community service activity would receive credit, he or she is encouraged to contact the high school principal or administrative assistant prior to fulfilling the service hours. The secondary principal is the final authority on matters pertaining to community service.

11.4 Procedure for Completing Community Service

- Choose an activity that falls under the guidelines for acceptable community service or seek approval.
- Pick up a community service form in the high school office. You may also print the online version from the website.
- Fill out the top portion with your student information and that of the organization.
- Perform your community service and keep track of the hours of service.
- Complete the remainder of the form. Have a supervisor write down the hours volunteered and sign the form. The form will not be
accepted without a signature and phone number from the supervisor.

- Turn in the completed form to the high school office. Incomplete forms will not be accepted.

12.0 Conduct

WCS admits students of different religious and personal persuasions. It is the intent of the Board of Trustees, administrators, and faculty to maintain an atmosphere where exemplary Christian behavior and quality academic studies are developed. Students are encourage and expected to exhibit those behaviors that contribute to the growth of such an atmosphere. All new WCS students are automatically placed on probation for one semester after enrolling.

While it is impossible to briefly write all regulations of proper behavior, the following outlines some basic expectations. In short, students at WCS are expected to be ladies and gentlemen who reflect Christ-like behavior that influences their community for good. WCS reserves the right to address and punish any inappropriate behavior. “It is necessary to submit to the authorities, not only because of possible punishments, but also because of conscience.” ~ Romans 13:5

12.1 Respect for Property

Students are expected to respect the property of the school and others. Damage of someone else’s property will result in restitution by the responsible party. Intentional acts of vandalism are subject to student dismissal.

12.2 School Representation

A significant portion of the influence of Weatherford Christian Schools depends on the conduct of the students. Student conduct reflects on the school both on and off the campus. As a result, a student must be aware of his or her representation of WCS as long as he or she is enrolled. Any time a student is representing WCS in an activity, the student is asked to behave in a way that will bring honor and respect to our school. Recognizing that WCS students represent our school at all times, WCS administration reserves the right to impose consequences on students for inappropriate off-campus behavior even if the conduct was not related in any way to a school activity.
12.3 Classroom Behavior

Students are required to do all assignments given to them by teachers. They should not disrupt the classroom or disturb other students. Since different subjects require different forms of behavior (for example: P.E., science lab, or history lecture), each teacher is free to set up individual classroom rules that students must follow. In addition, students are required to come to classes prepared to study; that is, they should bring textbook, paper, pen or pencil, and any other materials required by the teacher. Students must take the responsibility of accepting each teacher's classroom procedures and requirements. Students must respect the rights of others. Students not performing their duties, disrupting the class, or being disrespectful or disobedient to a teacher either will be disciplined by the teacher or, if the problem is serious, will be sent to an administrator.

12.4 Chewing Gum, Food, Drinks

No food, drink, or gum is permitted in the Collaboration Lab, chapel, or assemblies. Following the standards previously set by the administration, individual teachers may determine if food, drink, or gum is permitted in their classrooms during class time.

12.5 Respect for Others

As a Christian community, WCS seeks to promote a safe environment where all involved may participate in educational and extracurricular activities without compromising their health, safety, and welfare. Therefore, WCS prohibits bullying, physical or verbal assault, hazing, abuse, or harassment, and regards such acts as serious discipline offenses. These rules pertain regardless of the medium, in direct personal interactions, in any electronic or voice communication, and on blogs, social networking sites, web forums or other online sites. In addition, WCS will not tolerate retaliation against any person who reports improper behavior, provides information during an investigation, or witnesses or has reliable information about misconduct. Any person knowingly in the presence of these rule violations adds support by his/her presence and may also be held accountable. Examples of prohibited behavior include but are not limited to:

**Bullying**

Bullying is defined as negative conduct intended to intimidate, demean, or systematically exclude one or more persons, and he or she has difficulty defending him or herself. The conduct must be severe, persistent or pervasive enough to create an intimidating, hostile or abusive educational environment or
disrupt or interrupt the educational environment. Bullying also typically involves an imbalance in power. Bullying may include physical, written, or verbal expression, such as threats to self or property, taunting, confinement, assault, and ostracism and often involves power differentials. Bullies may even use electronic communications, a practice referred to as cyberbullying.

**Hazing**

This is defined as any activity that recklessly or intentionally endangers the mental health, physical health, or safety of a person for the purpose of initiation or membership in or affiliation with any student group, organization, or team. “Endanger the physical health” shall include, but not be limited to, any brutality of a physical nature or other forced physical activity that could adversely affect the physical health or safety of the individual. “Endanger the mental health” shall include any activity that would subject an individual to extreme mental stress such as forced conduct that could result in extreme embarrassment, or any other forced activity that could adversely affect the mental health or dignity of the individual. Any hazing activity, whether by an individual or a group, shall be presumed to be a forced activity even if a student willingly participates.

**Sexual Harassment**

Sexual Harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal, non-verbal, or physical conduct of a sexual nature, including sexual assault or exploitation, when submission to such conduct is made either explicitly or implicitly as a term or condition of an individual’s employment or participation in a program or activity; submission to or rejection of such conduct by an individual is used as the basis for employment or educational decision affecting the individual; or such conduct is so severe, persistent or pervasive that it unreasonably interferes with or limits the individual’s work or educational performance or one’s ability to participate in or benefit from WCS’s educational program or activity.

Sexual harassment of an individual student, a staff member or a group of students includes, but is not limited to: letters, notes, telephone calls, e-mail, distribution or display of materials of a sexual nature; deliberate touching, leaning over, cornering or pinching; sexually suggestive looks or gestures; pressure for sexual favors; pressure for dates; or sexual teasing, jokes, remarks or questions.
Discriminatory Harassment

Discriminatory harassment is verbal or physical conduct or other detrimental action based upon sex, religion, race, color, national origin when such conduct is so severe, persistent or pervasive that it unreasonably interferes with or limits the individual’s work or educational performance or one’s ability to participate in or benefit from WCS’s educational program or activity or creates a working or learning environment that a reasonable person would find intimidating, hostile, or offensive.

12.6 Reporting Misconduct

**Students**: Any student who feels that he or she or any other student has been the victim of such misconduct or retaliation is strongly encouraged to report the matter promptly to the principal or Head of School if the principal is not available. A student who knowingly makes a false accusation of bullying or retaliation will be subject to disciplinary action, up to and including dismissal.

**Parents/Guardians**: WCS urges the parents or guardians of a student who is the target of bullying or of a student who has witnessed or otherwise has relevant information about misconduct or retaliation to promptly notify the principal or Head of School if the principal is not available.

**Faculty and Staff**: All administrators, teachers, and staff - every person who is employed by the School in any capacity - must immediately report any single action of misconduct that the person has witnessed or otherwise become aware of to the principal or Head of School if the principal is not available. An employee who knowingly makes a false accusation or who fails immediately to report an instance of misconduct to which he/she is aware shall be subject to disciplinary action, up to and including dismissal.

Because information must be shared in order to conduct effective investigations, WCS cannot promise strict confidentiality. However, WCS will normally release information concerning complaints only on a legitimate need to know basis.

12.7 Harmful Items

Items are not to be brought to school that may be hazardous or might interfere with the educational atmosphere. This is not limited to but includes laser lights, fireworks, weapons of any kind, knives, lighters, matches, guns in vehicles, etc.
12.8 Drugs, Alcohol, and Tobacco

WCS does not condone the use of drugs, alcohol, vaping and tobacco. Moreover, WCS is committed to the health and safety of all members of the school community and will take action to safeguard their well-being. We seek to enroll and support families who insist on a strictly chemical-free lifestyle for their children. We take steps to promote student welfare by: a) teaching the dangers of substance abuse; b) counseling students involved in substance abuse; and c) disciplining those who endanger themselves and others through substance abuse. The following are examples of the most common ways in which a student’s use of chemicals will be handled by the school. This list should not be taken to be all-inclusive, nor does it limit the possibilities of ways the school might choose to react in an effort to diminish the use of mood altering chemicals.

- If a student or parent voluntarily seeks help for use of alcohol/drugs before he/she has been implicated by school personnel or arrested, he/she will be referred for appropriate help. If the student makes satisfactory progress in the help program, the student will not be dismissed for this incident.
- The school reserves the right to require any student to submit to a drug test. The test will be performed by a school-approved laboratory and may include a complete chemical dependency assessment. All findings and recommendations must be made available to the school. Failure to fully cooperate will result in dismissal.
- If a student is observed on campus or while attending any school activity, on or off-campus, in possession of, or under the influence of alcohol/drugs, he/she will be suspended from school and subject to expulsion. The student’s school history and behavioral record will bear weight relative to a decision. If a student should be expelled for drug use or abuse, the student may apply for readmission the next school year. For any legal violations occurring on campus or while attending any school activity, on or off-campus, WCS may choose to refer the matter to the authorities for prosecution under federal, state, and local laws and cooperate with the authorities in the investigation.

12.9 Vaping Policy

1st Offense
A parent picks up the student and takes them directly to get drug tested. The student may not return back to the school until the school receives the drug test results.

Three days ISS - 8:00 a.m. - 3:30 p.m.
1. A parent will deliver and pick up the student from ISS each day.
2. Parents will pay for the cost of an ISS substitute. (In handbook)

2nd Offense

- The student will be dismissed from WCS.

12.10 Serious Conduct Violations

Additionally, the following are considered serious conduct violations:

- Using profane, obscene, indecent, immoral, crass, or offensive language and/or gestures to others.
- Leaving the classroom or school grounds without permission or cutting class.
- Exhibiting any unacceptable physical contact, which could but does not result in injury.
- Altering school records or documents or signing another person's name on school documents.
- Interfering with the school authorities and programs through boycotts or sit-ins.
- Trespassing or posting or distributing unauthorized communicative materials on the school grounds.
- Fighting, which is defined as physical conflict between two or more individuals.
- Stealing, which is defined as the act of taking and carrying away the property of another without the consent of the owner.
- Engaging in or threatening to engage in any behavior that may prove detrimental to the school or the education process, be harmful to health and safety of self or others, or inhibit the rights of others.
- Failing to uphold the Biblical principles of abstinence before marriage.
- Showing disrespect toward school personnel or failing to comply with the requests of school personnel.
- Failure to report to a teacher or administrator the knowledge of an event, device, object, or substance that could cause bodily harm to a person/persons on school property.
- Any behavior that qualifies as a felony regardless of whether charges are filed.

13.0 Discipline

Weatherford Christian School is a Christ-centered community. We seek to promote and maintain an environment, which will effectively train and encourage our students to bring glory to Jesus Christ at all times. When students are admitted to Weatherford Christian School, they become identified not only with the school but also more importantly with the name of Christ. It is expected that students will conduct themselves in ways which will honor Christ and which will reflect favorably on the school at all times. All students and parents/guardians understand that Weatherford Christian School reserves the right to discipline, suspend, or expel any student based upon conduct which occurs either on or off campus, whether at school sponsored events or otherwise.

Weatherford Christian School expects each student to maintain Christian standards of courtesy, kindness, morality and honesty. Students are expected to refrain from profanity, indecent language, gambling, cheating, sexual immorality, stealing, the use of any kind of tobacco, drugs, alcohol or pornographic materials, and from participation in the occult or any unlawful, violent or destructive acts. In addition to these general guidelines, students are to comply with the specific standards set forth in this Weatherford Christian School Parent and Student Handbook.

Students are expected to abide by these standards throughout the calendar year, whether at school, at home or elsewhere (including all forms of social media). This is a joint agreement between the student, the parents/guardians, and the school. All parties agree that both the school and the parents/guardians will enforce these standards of conduct while the student is associated with Weatherford Christian School both during the school term and otherwise.

Above all, teaching self-discipline is the goal. Where discipline is required by faculty or school administrators, such shall be administered with the intent that maximum educational value be attained. In this way, administrators show students a vision of what they could be and then help them achieve it.
For learning outcomes to be impacted, it is imperative that discipline begin in the classroom. Because the teacher-student relationship is the key to our educational program, teachers must command respect from their students. Effective classroom management is vital to the academic success of WCS. Each teacher is required to distribute a written set of classroom rules consistent with the policies of WCS. Rules must be submitted to the principal by the first day of class.

Disciplinary consequences will be administered in a firm, fair, and consistent manner. When making decisions in regard to disciplinary situations, the school administration will make every effort to administer disciplinary action as consistently as possible, while recognizing that each student and each specific incident must be assessed on an individual basis with attention given to background, attitude, and repetition.

Students attending WCS are expected to display Christian behavior on and off campus, so the following also apply to school sponsored trips or events.

13.1 Level One Offenses

Students in violation of school rules may be given strikes at which point parents will be notified through RenWeb. Parent must sign the strike, and the student must return strike to his/her 1st period teacher the next school day. Failure to return signed strike the next school day during 1st period could result in student receiving another strike. Level One offenses include, but are not limited to, the following:

- Failure to Follow Classroom Rules
- Eating/Drinking in Class (including water)
- Disrupting Class
- Passing, Receiving, or Reading Notes
- Tardiness
- Dress Code Violations
- Littering
- Inappropriate Use/Storage of Food and Drink
- Failure to Obey When Warned on Minor Issues
- Failure to return signed strike
- Parking Infractions
- Offenses Determined to be Detrimental to the Operation of a Christian School

Strikes for the above listed offenses are cumulative, but clear at the start of the next nine weeks. (The cumulative record of these offenses is kept throughout the school
year for documentation purposes.) The following are actions taken as strikes accumulate within a nine-weeks period.

**Action Taken:**

**Strike 1:** Email notification to Parent/Parent signature on strike
**Strike 2:** Email notification to Parent/Parent signature on strike
**Strike 3:** One-day morning detention AND a Parent/Teacher conference
**Strike 4:** Email notification to Parent AND Two days morning detention
**Strike 5:** 3 days of Morning Detention AND a Parent/student conference with Head of School (three strikes are removed).

### 13.2 Level Two Offenses

Level Two offenses require a more immediate action and may not have a warning before the consequence. The offenses are cumulative for the nine weeks. Also, when it is evident that students have not corrected their behavior in “Level One” (continuing to receive strikes for the same behaviors) they will be moved to “Level Two”. Parent must sign the strike, and the student must return strike to his/her 1st period teacher the next school day. Failure to return signed strike the next school day during 1st period could result in student receiving another strike. Level Two offenses include, but are not limited to, the following:

- Multiple Level One Offenses of the Same Behavior
- Disrespect or Intentional Disobedience to Faculty or Staff
- Showing Flagrant Disregard for the Well-Being of Others
- Academic Dishonesty (including Plagiarism)
- Inappropriate Display of Affection
- Inappropriate Language, Written or Spoken
- Leaving Class, Building or School Grounds Without Permission
- Reckless Use of an Automobile
- Inappropriate Material on Campus
- Unauthorized or Inappropriate Use of School Equipment
- Offenses Determined to be Detrimental to the Operation of a Christian School

**Level Two Offenses Action**

1. Classroom consequences and/or Two days morning detention
2. Classroom consequences and Three days morning detention, ISS or Suspension, AND Parent/Student conference.
3. Classroom consequences and Four Morning Detentions, ISS or Suspension, AND Parent/Student conference

13.3 Level Three Offenses

When it has become evident that detention assignments are not deterring student misbehavior or a student commits a Level Three offense, suspension and disciplinary probation will be assigned. The number of suspension days will vary and be determined by the severity of the action and the past behavior of the student. Parent must sign the strike, and the student must return strike to his/her 1st period teacher the next school day. Failure to return signed strike the next school day during 1st period could result in student receiving another strike. Level Three offenses include, but are not limited to, the following:

- Multiple Level Two Offenses of the Same Behavior
- Fighting or Assault
- Disrespect or Intentional Disobedience to Faculty or Staff
- Involved in or Causing Others to be Involved in Verbal or Physical Abuse
- Stealing (suspension plus restitution)
- Vandalism (suspension plus restitution)
- Possession of Pornography, sexting or Other Sexually-Related Materials
- Skipping School
- Possession or use of tobacco*
- Possession of weapons*
- Offenses Determined to be Detrimental to the Operation of a Christian School

*May be upgraded to Level Four Offenses at the discretion of administration depending on the severity of the action.

13.4 Level Four Offenses

When it has become evident that suspension has not deterred student misbehavior or a student commits a Level Four offense the student will be expelled or dismissed from WCS. Level Four offenses include but are not limited to the following:

- Serious Violations of the Law
- Possession of weapons that present clear danger to others, or that present or imply a threat to others
- Possession or use of Alcohol, Drugs, or Drug Paraphernalia
- Behavior that is Blatantly Immoral, Threatening, or Violent.
- Pregnancy or responsibility for a pregnancy
• Offenses Determined to be Detrimental to the Operation of a Christian School

If a level four offense occurs, the proper authorities may also be notified.

13.5 Discipline Consequences

• **Morning Detention**
  Morning detention is assigned when three (3) strikes have accumulated. Morning detention will be from 7:15 – 8:00 a.m. Students need to arrive in dress code and on time. Students who are tardy to detention, disruptive, refuse to work or place their head on their desk will be assigned additional detentions. This is not a study hall. Students will not be allowed to work on homework during morning detention.

• **Disciplinary Probation**
  Disciplinary probation will be assessed for a period of time set by the Head of School for any actions deemed worthy of probation. Students on probation will be closely monitored and specific changes in behavior will be expected. While on probation, if another Level Three offense is committed or if administration determines that necessary behavior changes have not occurred a recommendation for suspension or expulsion may be given. Any student with a level three offense will be reevaluated prior to re-admittance the following semester.

• **In-School Suspension (ISS)**
  A conference will be scheduled with the parents, student, and administration. The student will not be allowed to return to class or participate in any school event until this conference has been held, the suspension completed, the student has expressed repentance, and, if necessary, an apology to any injured party has been issued. The student will remain on campus under the supervision of WCS substitute and the family will pay the $75 sub pay for the day of the suspension.

• **Suspension**
  A conference will be scheduled with the parents, the student, and administration. The student will not be allowed to return to classes or participate in any school event until this conference has been held, the suspension completed, the student has expressed repentance, and, if necessary, an apology to any injured party has been issued. However, all missed work must be returned in a timely manner or that work will result in a zero as well.
• **Expulsion**

The Head of School will determine the duration of the expulsion. If the student is given the opportunity to be considered for re-enrollment, they must express genuine repentance, have demonstrated exemplary behavior since the expulsion, and met any other conditions specified by the head of school. Students and parents must be interviewed by administration and go through the admission process as a new student.

Students who are expelled are not eligible for tuition refunds. Expulsion is not covered under the tuition refund insurance policy, so students who have purchased this are still responsible for any unpaid balance.

### 14.0 Dress Code

Weatherford Christian School’s uniform selections and dress code are based upon the following goals and principles:

- **A Proper Sense of Pride** – As individuals uniquely created in God’s own image, students should take pride in their appearance, fostering a “dress for success” mentality pleasing to God and man.
- **Uniformity** – Uniformity removes the potential for a wide variety of clothing related distractions, helping students maintain right relationships and a grasp of the true purposes of school. Uniformity also significantly decreases the opportunity for a “haves and have-nots” environment to develop within the school.
- **Modesty** – More than the length of a skirt or the cut of a blouse, modesty is ultimately an issue of the heart. All members of the WCS family, including parents, are asked to avoid immodesty both in terms of under dressing (too short, low-cut, tight, transparent, etc.) as well as overdressing (“look at me” apparel, accessories, or jewelry).
- WCS administration and school board members consider uniform requirements and uniform providers in light of financial practicality.

The dress code will be followed as listed in the Uniform Guidelines (outlined below). Students not abiding by the dress code will receive written notification of the infraction which will require a parent’s signature. Upon the third repeated offense, a parent will
be notified to bring the appropriate clothing to the student before admittance back into the classroom.

- Attire should be neat and modest in appearance at all times
- Jeans may be worn on Friday with a WCS spirit t-shirt, if a donation of a canned food for Center of Hope has been brought to the school the day before, or a dollar donation for our Haiti sponsorship program. Jeans must have no holes, not ragged, or badly faded.
- All athletes and participants in sports will wear modest clothing.

14.1 Young Men

- Hair is to be maintained so that it is not extreme. Hair should be neat and well groomed.
- No stripes, designs or letters cut in hair.
- Hair should be no longer in the back than the bottom of the collar, nor be longer than the bottom of the ear on the sides. Hair should not fall below the eyebrows.
- Students must be clean shaven with sideburns worn no lower than the bottom of the earlobe.
- Hair color and any highlights must be of a natural hair color.
- All shirts must be tucked (not rolled) into pants or shorts.
- A black or brown belt must be worn with shirts are required to be tucked in to pants or shorts (3rd - 12th).
- All undershirts must be white or grey.
- All shoes should have closed toes and closed heels. Cowboy boots may only be worn with long pants, and students are not allowed to tuck the pants into the boots.
- Tears, rips, embellishments, and “bling” do not meet the WCS dress code.
- Visible Body piercing and tattoos are not permitted.
- All pants must be worn at the natural waistline.
- Hats, toboggans, headgear, hoods, bandanas, and sunglasses are not allowed.
- No earrings, clips, studs, spacers, wire or anything in a piercing may be worn to school or school-sponsored activities.

14.2 Young Women

- Hair color and any highlights must be of a natural hair color.
- Length of dress or skirt must be no shorter than 4 inches above the top of the floor when student is in kneeling position. This includes both the front and back of the skirt.
- Modesty shorts (navy blue or black) should be worn underneath all skirts.
- All shirts and blouses are to be tucked (not rolled) into shorts, pants, and skirts.
- All shoes should have closed toes and closed heels. Cowboy boots may only be worn with long pants, and students are not allowed to tuck the pants into the boots.
- All undershirts must be white or grey.
- A black leather, brown leather or matching plaid belt belt must be worn with shorts and pants with belt loops (3rd - 12th grade).
- Tears, rips, embellishments, and “bling” do not meet the WCS dress code.
- Visible body piercings or tattoos, with the exception of the ears, is not allowed.
- Accessories should be neutral or school colors that coordinate with the uniform.
- Bracelets should be small in number and should not be a distraction to the learning environment.
- Girl athletes who choose to wear “wind shorts” for after school activities must also wear “spandex” under their shorts.

Administration reserves the right to make judgments concerning the dress code as deemed necessary.

15.0 Drills

Students, teachers and other employees shall participate in drills of emergency procedures for intruders, tornados and fire. Parents and visitors who are on campus during drills or emergency procedures must follow the instructions of campus personnel for safety purposes. When the alarm is sounded, students must follow the direction of the teachers quickly and in an orderly fashion. Instructions for these drills will be posted in each classroom and discussed by each teacher. Safety is of utmost importance to WCS.

16.0 Dropping a Course

Student schedules will not be changed after the completion of the third week of each semester. A student desiring to drop a course must fill out a course withdrawal form and it must be signed by a parent.
17.0 Eligibility

Eligibility for extracurricular activities will be based on grade checks. WCS will check grades at the 6th week of each nine-week grading period. If at that time a student is failing any class he or she will become ineligible to participate in games/performances in any manner. Ineligible athletes will travel to evening games but cannot play. Ineligible students may participate in practice, but are not allowed to participate in games in any manner. Failing class grades will then be checked every Friday at 3:00 p.m. to see if they are eligible to play. If an athlete is failing any class at the end of the grading period, he/she will not be eligible for three weeks. Grades will then be checked for the failing classes on Friday at 3:00 p.m. the 3rd week of each nine-week period to see if he/she is eligible. If the athlete at that time is passing failing classes, he or she will be eligible to participate in games.

*If an athlete is deemed ineligible due to grades, they are still required to fulfill their commitment to the team and finish out the season.*

If an athlete serves in-school suspension or is suspended from WCS they are not eligible to practice or play with the team during the time of suspension. After the suspension is resolved, they may return to the team. Some makeup work from the coach may be required at that time.

Any student who transfers to WCS from any school, private or public, is eligible to compete in TAPPS varsity contests *according to the dates published on the official TAPPS calendar.*

18.0 Fundraising Policy

There may be only one school-wide fundraiser (e.g. Candy Sales) that involves the use of students, and one Parent Teacher Partnership (PTP) fundraiser (e.g. Cookie Dough Sales) that involves the use of students, in a given school year.

Participation in extracurricular activities and special events may include additional fundraising for special purposes.

Students may not be asked to participate in “door-to-door” solicitations as part of any fundraiser.

In all cases, fundraisers must be pre-approved by the Head of School, and the development office.
19.0 GPA

WCS student Grade Point Average will be calculated with all required high school level classes and will be on a numerical scale of 100. For designated “Honors” and Dual Enrollment classes, offered at WCS, students will be awarded an additional eight (8) points and for designated AP courses an additional ten (10) points will be awarded. These averages do not appear as weighted averages on report cards or transcripts.

The Valedictorian and Salutatorian are determined by averaging all grades in courses receiving credit to find the top two scores. These are averaged to the 1,000th place, if necessary. If the averages remain the same, there will be co-valedictorians and no salutatorian. New students must be enrolled at WCS by the first day of school their junior year to be considered for valedictorian or salutatorian.

Due to the selective admissions practices, highly competitive program and class size, WCS does not rank its students academically, other than for valedictorian and salutatorian. An explanation of this policy is included with transcripts sent to colleges for admission purposes.

20.0 Grades

**WCS grading scale is as follows:**

<table>
<thead>
<tr>
<th>Score Range</th>
<th>Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>90-100</td>
<td>A / Excellent</td>
</tr>
<tr>
<td>80-89</td>
<td>B / Above Average</td>
</tr>
<tr>
<td>70-79</td>
<td>C / Average</td>
</tr>
<tr>
<td>0-69</td>
<td>F / Failure</td>
</tr>
</tbody>
</table>

**WCS citizenship grades are as follows:**

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>E</td>
<td>Exemplary</td>
</tr>
<tr>
<td>S</td>
<td>Satisfactory</td>
</tr>
<tr>
<td>N</td>
<td>Needs Improvement</td>
</tr>
<tr>
<td>U</td>
<td>Unsatisfactory</td>
</tr>
</tbody>
</table>

Students in grades 7 & 8 will receive credit yearly. The semester final exam or final paper/project will count 1/7 of the semester grade. To calculate the yearly average, add the two semester grades and divide by two (2). Middle school students taking Algebra I will receive high school credit and therefore its semester finals will count.

Students in grades 9-12 will receive credits and grade points by semester average. Each semester of work completed satisfactorily will count ½ unit or credit. These units will be recorded on report cards and transcripts by semester. Semester finals count 1/5 of the semester grade. Each semester of work failed (F) in a required course must be repeated/recovered. In the event that a student fails the first semester, full credit will be awarded if the second semester is high enough that the average of both semesters
is 70% or above. However, this method is not used if a student fails the second semester.

When it becomes necessary to acquire credits outside WCS, prior approval must be sought through a WCS Secondary Principal and Department Head. This should only happen when a student needs credit recovery or wishes to supplement the current WCS curriculum. These credits should not be taken to replace a WCS class offered. Furthermore, credit by exam (CBE) will only be accepted for credit recovery.

Students who bring documentation of driver’s education minimum requirements with their permit and their official driver’s license may receive \( \frac{1}{2} \) elective credit.

Progress Reports will be emailed to parents every Sunday evening. Report Cards will be issued at the end of each nine-week grading period. Any student receiving a grade average of 70, or below, will be placed on Academic Warning. The student will have the following nine weeks to bring up his/her grade. If at that time the required grade is not met, the student will be placed on Academic Probation. Nine additional weeks will be allowed for grade improvement. After that time period, the student faces possible dismissal from WCS. Parents are encouraged to schedule a conference with the teacher if their child is having trouble with a subject.

Students must pass all classes in order to be promoted to the next grade level. Students leaving a grade level with a 70 average will be placed on Academic Probation for that subject for the first nine weeks of the next grade level. If at that time the student’s grade average has not improved, the school administrator and class teacher will meet with the parents and student to discuss the student’s future with WCS.

If a student’s grade is incomplete at the end of the nine-weeks, there is a two week limit from the last day of the grading period to remove the incomplete. If the work is not completed within that period, the teacher will determine a grade to be recorded. The same rule will apply with unit averages. No incomplete grades will be recorded at the end of the school year. The teacher will determine a final grade before grades are recorded and sent to parents/guardians.

21.0 Homework

Homework enhances a High School student’s preparation for college, improving a student’s mastery of a subject. It should be meaningful and assigned with a specific learning objective in mind. Homework is an integral part of educational growth. Material covered in class is reinforced to ensure the student understands what is being
taught. All parents and students are encouraged to check RenWeb on a weekly basis to keep up with homework and grades.

From long-term assignments requiring pacing and managing one’s time to Pre-Advanced Placement and Advanced Placement courses calling for more time and effort on the student’s part, many factors affect homework on the High School level. Additionally, a student’s potential involvement in several extra-curricular activities necessitates excellent time-management skills. It is in the student’s best interest for future success to develop such skills. If a student struggles with time-management issues, homework on any given night may require additional time. The student who keeps up with his/her work on a daily basis is the most successful. Faculty will supervise the student’s’ progress on long-term projects.

On an average, homework can vary from just a few minutes to approximately 1 1/2 - 2 hours per night depending on a student’s level of ability and course selection. On the night before a major test or in preparation for the completion of a major project, a student may spend more time.

In most cases, students will not have more than two major tests or projects due on one day with the possible exception of an occasional three (excluding nine-week and semester exams). Dates of tests and project due dates for all classes will be monitored. Quizzes may be given on any day, but they should be short in duration and based on previously discussed material.

Homework will not be assigned to be completed exclusively during a holiday and due the first day back from a holiday.

Parents/Guardians should also encourage their children to read for enjoyment because a great deal of student success in High School and at the university level is linked to reading.

All homework assignments must be completed and returned by the assigned date. **Students who do not return assignments on time will not receive full credit. Late assignments will be handled at the discretion of the teacher.** Being held responsible for homework assignments is a very important learning skill for students. Parents are requested to reinforce this responsibility at home and ensure their children understand that incomplete assignments will not be tolerated.

21.1 Missed Assignments

- Students are responsible for initiating and completing all work done during an unplanned excused absence within a timetable of one day of make-up for each day of absence. The teacher is responsible to provide the assignment to the student. In the event that a student is absent from a class on the day that a major project is due or a scheduled test is administered, and he/she reports to school later in the same day, the project or test must be completed that same day or a grade of a zero will
be entered. This also applies to work missed because of school-sponsored activities.
- Students participating in extracurricular activities that miss class due to participation will not be allowed extra time to complete their assignments and are responsible for any assignments made during their absence. Assignments, tests, etc., are expected to be due upon the student’s return to class.

22.0 Honor Roll & Perfect Attendance

WCS is very proud of the students who excel in their classes and feel that they should be rewarded for their efforts. Students who have excelled may receive recognition for their achievements as follows:
- Remaining on the A honor roll for the entire school year
- Remaining on the A/B honor roll for the entire school year
- Having perfect attendance for the entire school year

23.0 JH/HS Student Council

23.1 Elected Student Leaders

Students who are candidates for or appointed to student leadership positions shall meet the following criteria:
- Must be enrolled in Weatherford Christian School for the semester in which they will serve and must not have been on any kind of disciplinary probation.
- Maintain an academic average of 80 in all subjects based on an average of all grades up to the time of election or appointment.
- Have no grade of less than 70 for the previous nine-week grading period.
- Have no more than one “N” or “U” in citizenship.

After election/appointment, a student will be placed on academic probation and not allowed to participate in his/her selected duties for the next grading period if:
- He/she fails to maintain an average of 80 for any grading period.
- He/she earns a grade of 69 or lower.
- He/she receives an “N” in citizenship.

A student will be removed from academic probation and allowed to return to his/her position at the end of the subsequent grading period if he/she achieves the required standard.
A student will be dismissed from the elected or appointed office if:

- He/she is placed on academic probation twice in one school year.
- He/she receives a “U” in citizenship.
- He/she does not abide by the Weatherford Christian School Parent and Student Handbook.
- He/she is dismissed from Weatherford Christian School.

23.2 Student Council Mission

The Student Council, whose mission is to serve and lead the school in service, always seeks to promote a deeper spiritual awareness and maturity in Jesus Christ.

- The Weatherford Christian School Student Council is composed of students in grades 6-12. Officers and representatives are chosen by vote in the fall and serve one school year. Officers for student council include a president, vice-president, secretary, and treasurer. All grades select two class representatives.
- Student Council represents the best that Weatherford Christian has to offer and members are held to high standards. Members must maintain a 90.0 GPA, complete 15 service hours a year, and must not receive more than 2 strikes in a grading period.
- WCS student council acts as a voice for the student body. Students’ suggestions are discussed at council meetings; ideas deemed appropriate and helpful may be recommended to WCS administration.
- Members of the council are instrumental in helping organize and conduct several student body activities and service projects each year. The student council sponsors and administrator are responsible for assisting council members in these roles.

24.0 JH/HS National Honor Society

Membership into National Honor Society is offered to those students in the 10th through 12th grade who create enthusiasm for scholarship, promote worthy leadership, develop character, stimulate a desire to render service, and encourage exemplary citizenship. Grade averages are evaluated at the end of the 9th grade year and admission is allowed as early as the fall of the student’s 10th grade year. Students who successfully meet the scholarship requirement of a 90.0% will be offered an information packet to complete. Membership is never considered on the basis of scholarship alone. In addition to scholarship, students must submit documented service hours to the office (12 hours for each high school grade completed), complete the service requirement outlined in the information packet, and complete the leadership requirement also outlined in the information packet. Candidates must also submit a complete application with all
required signatures and letter of recommendation. Once all information is returned to the NHS adviser, the faculty will complete an evaluation and behavior records will be reviewed. Students must have 110-120 points to be eligible for induction based on the following point values:

- Scholarship (Grades) = 20 points
- Service Hours Submitted to Office = 20 points
- NHS Service Requirement Fulfilled = 20 points
- Completed Application with Letter of Recommendation = 20 points
- *Behavior Records = 20 points
- **Faculty Evaluation = 20 points

*Behavior records are given the following point values: 0 strikes = 20 points; 1-2 strikes = 15 points; 3-4 strikes = 10 points. No points will be received in this category for students receiving more than 4 strikes in a given year. This includes strikes given for morning tardiness.

**Faculty Evaluation – Each faculty member is given a four-point evaluation to complete on each student and then those evaluations are averaged together. Those evaluations are given the following point values: 3.5-4.0 = 20 points; 3.0-3.5 = 15 points; 2.5-3.0 = 10 points. No points will be received in this category for students receiving less than a 2.5 faculty evaluation average.

Members will be expected to continue to demonstrate the qualities of scholarship, leadership, character, service, and citizenship. Student records are reviewed at the end of each semester. Grades, office referrals, and other documented disciplinary concerns of current members will be considered. Students failing to meet NHS standards will be placed on a nine-week probation period. Members who resign or are dismissed for failing to maintain the NHS standards to which they were initially selected are never again eligible for membership or its benefits. Students who are denied induction in one year can be considered again the next year.

24.1 National Junior Honor Society

Selection for the National Junior Honor Society occurs each spring and is open for 7th-9th grade students who have attended Weatherford Christian School for at least three semesters. Membership requirements include, but not limited to: scholarship (must have at least a 90.0% average), character (based on teacher evaluations and limited strikes), leadership (helpfulness to other students/teachers), and service (at least five hours of community service per semester). Students who qualify academically will receive a letter in the spring encouraging them to fill out an information packet. Completed packets, returned by the deadline, will be reviewed by the Faculty Advisory Committee and selections will be made by that committee.
25.0 Lockers

Lockers remain under the jurisdiction of the school, notwithstanding the fact that they are assigned to individual students. Anything brought to school or bought for school use must fit inside a closed student locker. Any backpack or item left out of the locker after school hours will be confiscated and a discipline slip will document this infraction. Students should not write or place stickers on lockers. The school reserves the right to inspect all lockers at any time with or without the presence of students.

26.0 Lost and Found

Students are responsible at all times for their personal property. If a student misplaces a personal item, he/she should immediately check the Lost and Found bin in the secondary cafeteria.

27.0 Lunch

Students are welcome to bring a lunch from home or participate in lunches offered by local vendors. Lunches must be paid for in advance through the parent’s Renweb account.

Parents are always welcome to join their children for lunch, but must remember to sign in through the Raptor System in the campus office, upon arrival.

Parents/guardians may take their children out to lunch by checking them out at the office and ensuring they return on time. Any children late to class will receive a tardy pass.

28.0 Registration Criteria for Pre-AP, AP, and Dual Credit Courses

In order to request a Pre-AP, AP or Dual Credit Class, a student must:

- Earn a minimum semester average of 80 in previous course
- Get a teacher recommendation verifying diligent study habits, thorough completion of work and understanding of material
- Dual Credit course must be paid in full prior to the beginning of the class.

29.0 School Closings

In case of inclement weather, Channels 4, 5, and 8 will broadcast closing information. WCS will also share closing information through a school wide email, the school website, and WCS Facebook page.
Only designated school officials will post information concerning WCS school closures. Parents are requested to not post any information regarding closures of WCS on their personal social media sites until WCS has made an official public announcement on one or more of the above-mentioned outlets.

WCS will not necessarily follow the protocol of WISD as has been done in the past. WCS has different circumstances to take into consideration when a school closure scenario is posed. WCS administration will take into account the vast number of communities that WCS families live in when making a decision concerning weather related closures.

30.0 Senior Exam Exemptions

Exemptions from the second semester exam, for seniors, will be considered under the following guidelines. Students with an average of:

- **A** - must have 4 or fewer excused absences and three or fewer strikes for the second semester.
- **B** - must have 2 or fewer excused absences and two or fewer strikes for second semester.
- **C** - must have 1 absence and only one strike for the second semester. The grade is calculated by averaging the 3rd & 4th nine weeks. Grades and absences are considered in each individual class. However, strikes will be overall. If a senior receives a Level 3 or 4 strike, he/she will not be eligible for exemption. A teacher will have the option to not offer exemptions and require all of his/her students to take their second semester exam.

31.0 Student Health

31.1 Immunization Policy

Section 97.63 of the Texas Administrative Code - Every child in the state shall be vaccinated against vaccine-preventable diseases caused by infectious agents. Please click on this link [http://www.dshs.state.tx.us/immunize/school/default.shtm](http://www.dshs.state.tx.us/immunize/school/default.shtm) for the current Texas Minimum Vaccine Requirements for students PreK - 12th grade.

According to the Texas Department of Health, all schools (public and private) are required to maintain records of the immunization status of each student admitted. Parents/guardians are responsible for ensuring that their child receives all required immunizations in a timely manner. Compliance must be met within 30 days from the start of school, or the student will not be allowed to attend until compliance is met.
Each child’s immunization record must be kept current while the child remains in school. The Texas Department of Health monitors each school to ensure compliance with this legislation.

31.2 Medication and Illness

Minor illnesses will be treated and first aid administered by the teacher or trained staff member. Children with a fever above 100 degrees will not be allowed to remain in class. Any child with a rash (including ringworm) or eye infection that could be contagious will be required to leave school. A child can return when the infection or rash is gone, or with a signed note from the doctor stating that the child is not contagious. If a child is diagnosed with an illness that could affect others, please call the office or notify the teacher, so appropriate action may be taken.

Serious injuries will require local emergency care. If a parent cannot be reached, a school official will transport the child. A signed authorization form must be completed and necessary changes updated to be kept on file.

Students requiring medication during the school day must bring the medication in its original container with dosage instructions. Students are not allowed to keep medication in their possession during school hours. Any student requiring medication must have a medication release form completed, signed, and on file in the office.

Please remember, **do not send a child to school if he/she has had a fever, vomited or had diarrhea within 24 hours.** If during school hours, a child vomits, has diarrhea, develops a fever of over 100 degrees, has an unknown rash or symptoms indicating a communicable disease, sustains an injury requiring a doctor or develops conditions preventing normal function, arrangements must be made to have the child picked up from school. **A child must be free of fever without the use of medication 24 hours before returning to school.**

The school is not allowed to give any type of medication (prescription or over-the-counter) to students without written consent from the parent. If it is necessary that a medication be given during school hours the following requirements must be met:

- Medication will not be administered in school or during school-sponsored activities without a **Medication Authorization Form** being signed by the parent(s) or guardian.
- Prescription medication must be brought to school in the current original container with pharmacy label intact. The label must have the student’s name, name of medication, dosage and time to be given. If the medication is not properly labeled, it will not be given.
Over-the-counter medications must be in an unopened original container. Student’s name must be written on the box/bottle. The dosage and frequency to be given must be consistent with the label instructions.

Medications will not be accepted in baggies or envelopes.

Medication must be brought to the school by the parent or guardian, not with the student.

Students may self-carry emergency medications with proper forms signed by physician and parent/guardian.

32.0 School Property

Students are held responsible for taking care of school property to the best of their ability. Students will not be allowed to write or draw on desks or any other school property.

Students must respect the privacy of others and never take things from the desk, locker or cubby of fellow students. If the staff or administration deems necessary, the right is reserved to search a student’s desk, locker or cubby.

33.0 Student Printing

Students are solely responsible for class assignments. In rare cases, students will be permitted to print assignments in the secondary office before the 1st period tardy bell. Students will not be permitted to print documents when they are supposed to be in a scheduled class.

34.0 Technology Network Usage

Weatherford Christian recognizes the popularity of social networking sites. Students using and/or participating in any online Internet communities will be held responsible for information transferred between themselves and others and all other information posted. This responsibility extends to, but not limited to all social media, personal homepages, instant messages, chat rooms, and other postings on the Internet. Students should take extreme caution when posting on such sites. All posings should positively represent the person posting. Students are representatives of Weatherford Christian School and must recognize that all postings should be a positive reflection on the school, the employees and other students, and their families. What is posted in the form of words and pictures should represent a person who is in subjection to Jesus Christ as their Lord. These guidelines apply during the school year as well as when school is not in session including summer break.
Students are especially cautioned against using electronic devices to take pictures or videos of teachers, other staff or students and posting them on social media websites. Students who post such media will be subject to disciplinary action up to dismissal.

Elementary students are provided access to computers in their classrooms and collaboration lab. Using computers is a privilege, and students are expected to abide by certain rules of conduct. Students and parents are asked to review the Acceptance Use of Technology Policy (Refer to Addendum 2). WCS has taken available precautions to restrict access to controversial and inappropriate materials. However, it is impossible to totally prevent access to such material. Students who purposely or accidentally see such materials or damage equipment deliberately will be disciplined.

### 35.0 Textbooks

All textbooks are the property of Weatherford Christian School and should be treated with respect. Students are responsible for textbooks issued to them. If there are any damages to a textbook when it is issued, the student must make the teacher aware of this immediately. Textbooks must be covered at all times. Adhesive book covers may not be used on hardback textbooks due to the damage they inflict, and “stretchy” book covers should only be used on smaller textbooks as they can damage the bindings when forcibly stretched over large textbooks. Books should not be abused or misplaced. If a book is damaged or lost, the cost of replacing the book will be assessed to the student. All textbooks must be returned to the school at the end of the year and assessed before transcripts or grades will be released.

Students will be responsible for taking care of library books as well. If a book is damaged, it should be reported as soon as possible. Fees will be assessed for books returned in damaged condition or that have been misplaced.

### 36.0 Transcripts

Transcripts will be requested from time to time as students apply for various universities. WCS will provide up to 5 (five) transcripts free of charge to each student per year. Students will be charged for any additional transcript requests at a rate of $1.00 per transcript. This fee is merely to offset the cost of ordering the special paper required to print transcripts. Transcripts for WCS seniors will not be sent to any university if a student’s account is not current.

### 37.0 Transportation
While WCS sponsors a variety of activities, the school cannot always assume transportation responsibilities for every student. Therefore, a student may be required to provide his/her own transportation or to find transportation from another student or student’s parents. In these cases, WCS cannot assume primary responsibility or liability for any injuries or damage sustained while riding in a private automobile. Primary responsibility rests with the owner and driver of the vehicle. We strongly encourage parents to always be aware and involved in arranging safe transportation for their student(s) to and from any WCS activities.

**38.0 Withdrawal Procedure**

Parents/guardians wishing to withdraw their child from WCS before the end of the school year must fill out a withdrawal form three days prior to the planned withdrawal date. This time period allows the teacher and office to prepare the file for transfer to another school, and to give notice of any fees outstanding or books due. Grades will not be released until all fees and books have been collected.
# Addendum 1: Uniform Guidelines

## WCS Chapel Uniform Guidelines

**All chapel uniform pieces must be purchased from Lands' End.**

### Pre-K Thru 5th Grade Girls
**(Tuesday and Thursday)**

- Lands' End Light Blue Long Sleeve or Short Sleeve Oxford
  - Shirts must be monogrammed
- Lands' End School Plaid Above Knee Box Pleat Skirt
- OR Lands' End School Plaid Jumper
- Shoes: Tennis Shoes/Sneakers (No Lights)
- Optional: Lands' End Solid Navy Leggings

### Pre-K Thru 5th Grade Boys
**(Tuesday and Thursday)**

- Lands' End Light Blue Long Sleeve or Short Sleeve Oxford
  - Shirts must be monogrammed
- Lands' End Plain Front Blend Chino Shorts OR
- Lands' End Blend Chino Plain Front Pants - Navy
- Belt: Black or Brown Leather. If pants have belt loops, belts MUST be worn.
- Shoes: Tennis Shoes/Sneakers (No Lights)
- Optional: Lands' End Plaid Tie

### 6th Thru 8th Grade Girls
**(Wednesday)**

- Lands' End Light Blue Long Sleeve or Short Sleeve Oxford
  - Shirts must be monogrammed
- Lands' End School Plaid Top of Knee Box Pleat Skirt
- Shoes: No Open Toe Shoes
- Optional: Lands' End Solid Navy Leggings

### 6th Thru 8th Grade Boys
**(Wednesday)**

- Lands' End Light Blue Long Sleeve or Short Sleeve Oxford
  - Shirts must be monogrammed
- Lands' End Blend Chino Plain Front Pants - Navy
- Belt: Black or Brown Leather. If Pants Have Belt Loops, Belts MUST Be Worn.
- Shoes: Boots Or Casual Shoes
- Optional: Lands' End Plaid Tie

### 9th Thru 12th Grade Girls
**(Wednesday)**

- Lands' End French Blue Long Sleeve or Short Sleeve Oxford
  - Shirts must be monogrammed
- Ponte Button-Front Skort OR J Blend Chino Skort - Khaki
- Shoes: No Open Toe Shoes
- Optional: Lands' End Solid Navy Leggings

### 9th Thru 12th Grade Boys
**(Wednesday)**

- Lands' End French Blue Long Sleeve or Short Sleeve Oxford
  - Shirts must be monogrammed
- Lands' End Blend Chino Plain Front Pants - Khaki
- Belt: Black or Brown Leather. If Pants Have Belt Loops, Belts MUST Be Worn.
- Shoes: Boots Or Casual Shoes
- Optional: Lands' End Plaid Tie

### All Shirts Must Be Tucked In

Outerwear: Solid navy jacket to be purchased from school website only. No other outerwear will be allowed inside the school. No other sweatshirts, hoodies, or pullovers are to be worn over uniforms.

Socks: Solid Navy, Solid White, Solid Black: No Logos On Socks

Headbands/Bows: Uniform Coordinating Colors Only
## WCS Non-Chapel Uniform Guidelines

### Pre-K thru 5th Grade Girls (Monday and Wednesday)
- Interlock Polo: Short or Long Sleeve - Red or Navy
- Skirts
- Ponte Button-Front Skort OR J Blend Chino Skort - Navy or Khaki
- Shorts/Pants
- Plain Front Blend Chino Shorts - Navy or Khaki
- Pencil Leg Blend Chino Pants - Navy or Khaki
- Mesh Polo Dress: Short or Long Sleeve - Red or Navy
- Shoes: Tennis Shoes/Sneakers (No Lights)
- Optional With Skirts: Lands’ End Solid Navy Leggings

### Pre-K thru 5th Grade Boys (Monday and Wednesday)
- Interlock OR Rapid Dry Polo: Short or Long Sleeve - Red or Navy
- Plain Front Blend Chino Shorts or Pants - Navy or Khaki
- Shoes: Tennis Shoes/Sneakers (No Lights)
- Belt: Black or Brown Leather. If Pants Have Belt Loops, Belts MUST Be Worn.

### 6th thru 12th Grade Girls (Monday, Tuesday and Thursday)
- Interlock Polo: Short or Long Sleeve - Red or Navy
- Skirts
- Ponte Button-Front Skort OR J Blend Chino Skort - Navy or Khaki
- Shorts/Pants
- Plain Front Blend Chino Shorts - Navy or Khaki
- Pencil Leg Blend Chino Pants - Navy or Khaki
- Shoes: No Open Toe Shoes
- Optional: Lands’ End Solid Navy Leggings

### 6th thru 12th Grade Boys (Monday, Tuesday and Thursday)
- Interlock OR Rapid Dry Polo: Short or Long Sleeve - Red or Navy
- Plain Front Blend Chino Shorts or Pants - Navy or Khaki
- Shoes: Boots or Casual Shoes
- Belt: Black or Brown Leather. If Pants Have Belt Loops, Belts MUST Be Worn.

### Casual Fridays - All Grades
- With a canned good or $1.00 for Haiti:
  - School Provided WCS Spirit T-Shirts
  - Denim Pants OR Denim Shorts (PK-5 Only)
- Without a canned good donation for Haiti:
  - Regular Non-Chapel Uniform Applies

### P.E. Clothing
- 6th thru 8th Grade
  - Lands’ End Navy Essential Short Sleeve Tee
  - Lands’ End Stone Gray Mesh Shorts

- Athletic Track Sweats
  - 6th thru 12th Grade
  - Lands’ End Pewter Heather Hooded Pullover Sweatshirt
  - Lands’ End Pewter Heather Sweatpants

### All Shirts Must Be Tucked In
*Casual Fridays Are An Exception

**Outerwear:** Solid navy jacket to be purchased from school website only. No other outerwear will be allowed inside the school. No other sweatshirts, hoodies, or pullovers are to be worn over uniforms.

**Socks:** Solid Navy, Solid White, Solid Black: No Logos On Socks

**Headbands/Hair Bows:** Uniform Coordinating Colors Only
Addendum 2: Acceptable Use Policy Access to Computer Network System

General Access
Access to Weatherford Christian School’s computer network system (LAN’s and WAN’s), including the Internet, shall be made available to students, employees, volunteers, and community members exclusively for instructional and administrative purposes.

Access to Weatherford Christian School’s computer network system is a privilege, not a right. Students utilizing the computer network system must first have the permission of a parent or guardian and must be supervised by a member of the Weatherford Christian School professional staff or an assigned adult volunteer. No students shall be given access without written consent of their parent or guardian.

All users shall be required to acknowledge in writing the receipt and understanding of the acceptable use of the computer network system. All users utilizing the computer network system are responsible for good behavior online just as they are in a classroom or other area of the school. Noncompliance with acceptable use may result in suspension or termination of privileges and other disciplinary action consistent with school policies. Violations of law may result in criminal prosecution as well as disciplinary action by the school.

Weatherford Christian School will cooperate fully with local, state, or federal officials in any investigation concerning or relating to misuse of the school’s computer network systems.

Privacy/Confidentiality
Users should have no expectation of privacy or confidentiality in the content of electronic communications or other computer files sent and received on the school computer network or stored in his/her directory. All data residing on the school’s equipment is the property of Weatherford Christian School. The school’s professional staff, may at any time, review the subject, content, and appropriateness of electronic communications or other computer files. Any violations of school policy, rules, or acceptable use will be reported to school administrators and data may be removed if warranted.

Disclaimer of Liability
Weatherford Christian School’s computer network system is connected to the Internet and as such, users may have access to information ranging from different cultures, science-related issues, music, politics, and many university library catalogs. These are just some of the areas users may be able to explore through the computer network. The school will provide filtering software to help filter objectionable material on the Internet.
However, it is impossible to restrict access to all information and the school is not responsible for materials acquired on the network. In addition, the school will not be responsible for ensuring the accuracy or usability of any information found on the Internet. Also, Weatherford Christian School shall not be held liable for users’ inappropriate use of electronic communication or violations of copyright restrictions, users’ mistakes, negligence, or costs incurred by users.

Acceptable Use
Weatherford Christian School’s computer network system will be used only for administrative and educational purposes consistent with the school’s mission and goals. Commercial use of the school’s computer network system is strictly prohibited.

Copyrighted software or data may not be placed or installed on any system connected to the school’s computer network without permission from the holder of the copyright. Only the owner(s) or individuals the owner specifically authorized in writing may upload or install copyrighted material to the system. A copy of all software and licensing information will be kept in inventory. Any software found on the systems not in inventory will be removed and reported to school administrators.

Online Conduct
1. The network account holder is responsible for ALL activity within their account.
2. The system may not be used for illegal purposes or in support of illegal purposes.
3. Users who are assigned a specific network account should only use that account.
4. Never share passwords or accounts with the exception of the generic accounts used in the computer lab.
5. Users should not intentionally seek information on, obtain copies of, or modify files, other data, or passwords belonging to other users.
6. Users are expected to be polite to other network users.
7. Users are expected to use appropriate language at all times; swearing, vulgarity, ethnic or racial slurs, and any other inflammatory language are strictly prohibited.
8. Users pretending to be someone else when sending or receiving messages is strictly prohibited.
9. Transmitting obscene or offensive messages, pictures or materials is strictly prohibited.
10. Use of IRC/“Chat” services is prohibited unless specifically regulated by a teacher as part of a learning project.
11. STUDENTS are prohibited from revealing identifying information about themselves or other students and staff. Identifying information includes last names, addresses, phone numbers, pictures, etc. STUDENTS shall identify themselves by their first name only.
All accounts can be monitored and are not to be considered private. Weatherford Christian School shall be authorized to monitor or examine all system activities, including electronic mail transmissions, as deemed appropriate to ensure proper use of the system.

Any user identified as a security risk or having violated guidelines, policies, or rules may be denied access to the computer network system.

**Vandalism**
Any malicious attempt to deface, harm or destroy Weatherford Christian School equipment, materials, data of another user, or other networks connected through the Internet is strictly prohibited. Any attempt to degrade or disrupt system performance is a direct violation of policy and could possibly be considered a criminal activity under applicable state and federal laws. This includes, but is not limited to, the uploading or creating of computer viruses, email bombs, denial of service attacks, etc.

Vandalism as described above will result in cancellation of system use privileges and will be subject to restitution for costs associated with system restoration, hardware, or software costs. Termination of System Access Weatherford Christian School may suspend or revoke a user’s access upon violation of acceptable use. Termination of an account for the violation of acceptable use may extend for a period of one year.

**Disclaimer**
Weatherford Christian School’s computer network system is provided on an “as is, as available” basis. The school does not guarantee that the systems will be uninterrupted or error-free or that all defects will be corrected.
Addendum 3: Pre-Approval Absence Request Form

This letter is requesting ____________________________ to be excused on the following days: from: _____________ to: _________________.

Reason for Absence:

_______________________________________________________________________
_______________________________________________________________________
_______________________________________________________________________
_______________________________________________________________________

I understand that all make-up work must be completed within a timely matter (the number of days absent plus one as stated in the handbook). I understand that any previously known projects due during this time frame must be turned in prior to absence. I also understand that it is solely the responsibility of the student to request help from the teacher in order to be on level with the rest of the class.

___________________________  _______________________
Parent’s Signature  Date

********************************************************************************
Approval has been given for the above student to be excused from his/her classes on the dates as stated above. The teacher is responsible for gathering the student’s work together and seeing that the student receive any additional help upon request.

____________________________  _______________________
Principal’s Signature  Date

********************************************************************************
I acknowledge receipt of this pre-approval for absence and will see that the student receives all missed work and any additional help if needed.

____________________________  _______________________
Teacher’s Signature  Date
Addendum 4: Policy regarding Epinephrine Auto-Injector Use

STORAGE AND MAINTENANCE

Epinephrine auto-injectors will be stored securely in the main office located in the secondary building and will be accessible to authorized employees and volunteers trained in their proper administration. If a student has a signed authorization from his or her physician, conservator, and the school employee then he/she may self-carry his/her epinephrine auto-injector on his/her person. Students who choose to self-carry and have the proper authorization take personal responsibility in ensuring their epinephrine auto-injector is on their person always, and that an authorized/trained employee of Weatherford Christian School is made aware of the epinephrine auto-injector location.

Epinephrine auto-injectors stored on campus in the main office will be monitored monthly for expiration. Documentation will be kept on monthly monitoring.

TRAINING

Training will be conducted annually through Safe School Training session during school in-service at the beginning of each new school year and on an as needed basis. Training will include the signs and symptoms of anaphylaxis, administration of an epinephrine auto-injector, implementing emergency procedures, and proper disposal of used or expired epinephrine auto-injectors. Weatherford Christian School will maintain records on the required training.

ADMINISTRATION

Weatherford Christian School authorizes the school trained employee to administer an epinephrine auto-injector prescribed by the student’s physician to a person who he or she reasonably believes to be experiencing anaphylaxis.

After the administration of an epinephrine auto-injector an employee of Weatherford Christian School will immediately call 911, and an employee of Weatherford Christian School will stay with the person experiencing the anaphylactic event until emergency personnel arrive. Emergency contacts for the individual will also be notified.

OFF CAMPUS INSTRUCTIONS
Epinephrine auto-injectors will be kept in the main office unless the appropriate self-carry epinephrine auto-injector paperwork is completed and signed by the student’s physician, conservator, and the school nurse. Weatherford Christian School keeps an emergency epinephrine auto-injector in the epinephrine storage box located in the main office. Weatherford Christian School does not carry an emergency epinephrine auto-injector to off campus events unless it is an epinephrine auto-injector prescribed by the student's physician for anaphylaxis and is provided by the conservator to the school. If a student is diagnosed with an allergy that could result in anaphylaxis, it is the sole responsibility of the student’s conservator to ensure the school is notified and to provide an emergency epinephrine auto-injector for the student’s use at school. The epinephrine auto-injector provided will be sent on all off-campus activities in which the student participates.

REPORTING

In the event that an employee or volunteer of Weatherford Christian School administers an epinephrine auto-injector in accordance with the school policy, it is mandatory the school report to the prescribing physician of the epinephrine auto-injector, the Commissioner of State Health Services at anita.wheeler@dshs.texas.gov, and the Texas Education Agency at healthandsafety@tea.texas.gov within 10 business days.

NOTICE TO CONSERVATORS

It is the sole responsibility of the conservator of the student to notify the school administrator if a student has been diagnosed with an anaphylactic reaction by his/her physician. Furthermore, it is the conservator’s responsibility to supply (if able) Weatherford Christian School with a physician prescribed epinephrine auto-injector. The school does not carry a non-prescribed, emergency epinephrine auto-injector to off-campus events. Therefore, it is the responsibility of the conservator to provide the school the epinephrine auto-injector to be sent for the student to off-campus activities.
WCS Acknowledgment of Policies & Discipline
2019-2020 School Year

I acknowledge that Weatherford Christian School shall have complete discretion in all educational matters including, but not limited to, curriculum offerings, class and teacher assignments, and the assessment of student and teacher performance.

I acknowledge that Weatherford Christian School shall have the right to decline enrollment or re-enrollment of any student or to suspend or dismiss any student at its discretion and for any cause deemed sufficient by the school. A positive and constructive working relationship between the school and a student’s parents/guardian is essential to the fulfillment of the school’s educational purpose. Thus, the school reserves the right to dismiss a student or not to extend the privilege of re-enrollment to a student if the school reasonably concludes that the actions of a parent(s)/guardian make such a positive and constructive relationship impossible or otherwise seriously interfere with the school’s accomplishment of its educational purpose.

I hereby agree to abide by the rules and regulations of Weatherford Christian School, and I understand that serious or repeated breaches of the school’s rules and regulations by my child or me may, at the sole discretion of the school, result in the suspension or dismissal of my child.

The school may from time to time require the written acknowledgment of school rules, values and regulations by the family and student. I acknowledge that failure to sign such an acknowledgment would be considered a breach of this contract and may result in dismissal of my child from the school.

Please return this page to your campus office as soon as possible. My signature below indicates that I have received and read the WCS Student/Parent Handbook and agree to abide by the expectations enclosed.
